LOCATION

Hughes Tech Center is centrally located in the heart of the Airport sub-market. As part of the 420 Acre master-planned Hughes Airport Center, it is considered the central hub of the Las Vegas Valley due to its close proximity to the Resort Corridor, the masterplanned communities in Henderson, Green Valley, Summerlin and the Southwest, with immediate accessibility to McCarran International Airport and an abundance of nearby amenities. The Property has immediate access to the I-215 and Airport Connector and is just minutes from the Las Vegas Strip and I-15.

THE BUILDING

625 Pilot is a 40,288 square foot single-story, fully built-out office building. The building has direct frontage on Pilot Road between the major arterials of Bermuda Road and the Airport Connector (building signage visible from the Airport Connector). This former call center provides eleven (11) private offices, large kitchen/breakroom, three (3) training rooms and two (2) conference rooms. In addition, the Building offers two (2) newly renovated separate restroom areas and 14-foot ceilings.
