Market Overview

Newport, Kentucky: A Strategic Location for Growth

Newport, Kentucky is a dynamic riverfront city positioned at the heart of Northern Kentucky's urban core. Known for its rich history and vibrant entertainment scene, Newport has evolved into a thriving destination for business, tourism, and residential development. Its strategic location along the Ohio River places it just minutes from Downtown Cincinnati, offering investors access to a bi-state metropolitan area with a population exceeding 2 million.

Founded in 1795, Newport, KY has a rich history and features tons of contemporary development packed into 3.5 square miles. As home to premier area attractions such as Newport Aquarium, a premier entertainment and dining hub, Newport on the Levee, a nationally recognized attraction, MegaCorp Pavilion, Bridgeview Box Park, Hofbrauhaus, and BB Riverboats, it's no surprise that visitors love finding things to do in Newport. The city's riverfront area provides a breathtaking view of the Cincinnati skyline and hosts numerous festivals and events year-round. Home to popular tourist activities as well as unique shops, cafes, and businesses, Newport's riverfront community is brimming with experiences for locals and visitors alike. With ongoing redevelopment projects and strong demand for mixed-use spaces, Newport presents significant opportunities for retail, hospitality, and residential investment.

Newport, KY: Unmatched Connectivity

One of Newport’s most appealing features is its seamless connectivity to Downtown Cincinnati and the broader region through multiple options:

- **I-471 Access:** Direct interstate connection ensures rapid access to Downtown Cincinnati in under 5 minutes and links to I-71 and I-75 for regional travel.
- **Taylor Southgate Bridge:** A vehicular and pedestrian bridge connecting Newport to Cincinnati’s central business district, supporting commuter traffic and business accessibility.
- **Purple People Bridge:** A pedestrian-only landmark providing a scenic, car-free route to Cincinnati’s riverfront attractions.

The **Purple People Bridge**, a pedestrian-only bridge spanning the Ohio River, offers a safe and scenic route for walkers and cyclists. This iconic structure links Newport directly to Cincinnati’s riverfront, making it easy to access major attractions such as **The Banks**, **Great American Ball Park**, and **Smale Riverfront Park** without the need for a car. Whether commuting, enjoying a leisurely stroll, or exploring dining and entertainment options, the bridge provides a unique and convenient way to experience both cities.

Newport, KY: Key Attractions

Newport offers a vibrant mix of entertainment, dining, and cultural experiences that enhance its investment appeal:

NEWPORT AQUARIUM
100,000 sq ft facility with 20,000 animals, 70 exhibits, and unique Shark Bridge experience.

NEWPORT ON THE LEVEE
Premier entertainment hub with dining, retail, AMC theater, and riverfront views.

BRIDGEVIEW BOX PARK
Open-air container park offering craft food, drinks, games, and skyline views.

HOFBRÄUHAUS NEWPORT
Authentic Bavarian beer hall with on-site brewing and traditional German cuisine.

MEGACORP PAVILION
State-of-the-art concert venue hosting 110-180 events annually with indoor/outdoor spaces.

BB RIVERBOATS
Iconic river cruises offering sightseeing, dining, and themed experiences along the Ohio River.

Newport, KY: Recent Development Projects

World Peace Bell Site Redevelopment: The mixed-use development includes two Hilton brand hotels (TRU and Home 2 Suites), office space, apartment space, 400+ space parking garage. It is located on a prime site in downtown Newport, bordered by Monmouth, York, Fourth, and Fifth streets, which was previously occupied by the World Peace Bell. North Shore Construction and Development Services is the designer, developer, and builder of the projects.

PLK Steel Mill Redevelopment: PLK Communities is proud to bring new life to Newport's west side with a proposed 195-unit mixed-use development at the former Newport Steel site along the Ohio River. This 17-acre community will include a thoughtful mix of two- and three- bedroom apartments and townhomes—creating fresh opportunities for vibrant, connected living. The project will also feature generous green space, a dog park, and improved bike and pedestrian connectivity to the surrounding neighborhood and riverfront.

Ovation Riverfront Mixed-Use Development: Nestled along the riverfront in Northern Kentucky with the best views of downtown Cincinnati, Ovation is a \$1 billion, 25-acre, mixed-use development comprised of 1,000 residential units (condos and apartments), 500,000 square feet of office space, multiple hotels, 150,000 square feet of retail and entertainment spaces, and access to a private membership social, health and wellness club. Corporex is the master developer of the Ovation project in Newport, Kentucky at the southeast intersection of the Ohio and Licking Rivers.

Thriving Industry Sector Headquarters

Northern Kentucky is comprised of Boone, Kenton, and Campbell counties and is centrally located where the Midwest meets the South at the Ohio River. Northern Kentucky is a vital part of the 15-county Greater Cincinnati region, a thriving metro area with professional sports teams; significant arts and cultural institutions; prominent public and private universities; a modern streetcar line; and nationally recognized restaurant, craft beer, and live music scenes. NKY also celebrates their identity around supportive communities, historic neighborhoods, and Kentucky's famous bourbon and horse culture.

The area is a one-day drive from 54% of the U.S. population, the nexus where three interstate highways meet, including I-75 linking Michigan to Florida. It's also home to the Cincinnati/Northern Kentucky International Airport (CVG), which offers 55+ nonstop destinations and is home to DHL's North America super-hub and the Amazon Air cargo hub. The region also boasts seven Fortune 500 companies' headquarters.

Transportation & Infrastructure

CINCINNATI/NORTHERN KENTUCKY INTERNATIONAL AIRPORT (CVG)

- Served more than 9.2 million travelers in 2024, a 5.3% increase over 2023.
- 55+ nonstop destinations, including 38 of the top 40 U.S. markets
- 6th largest cargo airport in North America and 12th largest globally
- Two major cargo hubs operate out of CVG; DHL Express Global Superhub and Amazon Prime Air Hub. FedEx also has a presence.

CENTER OF THREE MAJOR INTERSTATES

- 3 interstate highway systems (Interstates 71, 74 and 75) and 2 interstate connectors (Interstates 275 and 471)
- More than 900 interstate common motor-freight carriers and 29 freight forwarders serve the Tri-state area.
- Twenty major metro areas are within one day’s truck driving time
- Kentucky is home to UPS World Port, DHL Americas Hub, Amazon Air Global Port and several large FedEx Ground hubs throughout the state.

TWO CLASS I RAILROADS & ONE CLASS II RAILROAD

- Two Class I railroads and one Class II railroad
- CSX operates approximately 60 trains a day through the region
- Norfolk-Southern has direct service to 22 states and Ontario, with an average of 35-40 trains per day traveling through the region transportation infrastructure.
- RailAmerica operates two short-line railroads in the region: Indiana and Ohio Railroad (IORY) and Central Railroad of Indiana (CIND)

THE PORTS OF CINCINNATI AND NORTHERN KENTUCKY

- The Ohio River and its seven navigable tributaries comprises over 2,500 miles of waterways
- Ports of Cincinnati and Northern Kentucky moves nearly 48 million tons of cargo a year, ranking it 15th among all U.S. ports and the busiest inland port in the US.
- The Ports of Cincinnati & Northern Kentucky includes 226.5 miles of commercially navigable waterways of the Ohio River and Licking River
- The newly designated ports are comprised of 129 active docks and terminals, with 68 on the Ohio side of the Ohio River, 54 along the Kentucky shoreline, and seven along the Licking River.

TWO ACTIVE FOREIGN TRADE ZONES

- The Greater Cincinnati FTZ (46) and Northern Kentucky FTZ (47) operate within the region
- FTZ 46 and 47 is a business operations focused federal program designed to help regional businesses compete in the global marketplace through the elimination, deferral or reduction of customs duties on imported and exported/re-exported merchandise.
- FTZ 47 service area covers Boone, Kenton, and Campbell counties in Kentucky.

Cincinnati/Northern Kentucky International Airport

The Cincinnati/Northern Kentucky International Airport (CVG) has been serving commercial passengers since 1947. With more than 7,700 acres of land, four runways, a diversified base of operations on and near the campus.

CVG is an economic driver for the Cincinnati Metropolitan Statistical Area (MSA). In 2022, CVG had a \$9.3 billion annual economic impact. This is a \$6 billion increase over the past 10 years, according to a recent study conducted by the University of Cincinnati Economics Center based on 2022 data. In 2022, CVG supported more than 49,000 direct and indirect jobs with the Cincinnati MSA.

Epic Flight Academy opened its \$8 million facility in April of 2024. The joint venture between Epic Flight Academy and FEAM Aero offers valuable on-site educational opportunities for future aircraft mechanics. DHL is also investing \$192 million to build a 305,000-square-foot aircraft maintenance facility at its Global Superhub. This expansion is part of a larger \$292 million project that also includes an expanded aircraft apron, with eight new aircraft gates and three new maintenance gates. The facility is expected to create 300 jobs and be completed by the end of 2025.

CVG earned top spots in Skytrax Awards:

#2

North America's Best Regional (Domestic) Airport

#3

North America's Best Airport Staff

#6

World's Best Airport 5-10 Million Passengers

#6

North America's Cleanest Airport

#10

World's Best Regional Airport

A customer-centric experience is a top priority at CVG. These results showcase their superior customer service and focus on keeping their facilities welcoming and clean.

Amazon at CVG & NKY

In 2019, Amazon broke ground on the Amazon Air Hub, an 800,000-square-foot facility to support our growing air cargo network. Located at the Cincinnati/Northern Kentucky International Airport, the centrally located hub is ideally situated to more closely connect Amazon to customers all across the country. 2,000 dedicated Amazonians work at the Air Hub to bring this \$1.5 billion investment in the Northern Kentucky region to life.

The Amazon Air Hub is unlike any other site in the Amazon network, equipped with innovative uses of robotics technology to transport and sort packages. The hub features mobile drive units that move packages quickly across the floor, ergonomic workstations that support a comfortable work environment for employees, and the Robin robotic arms that inject packages onto robotic drives. This facility serves as the hub of operations for an interconnected network of more than 40 sites where Amazon Air exists.

Amazon’s total space at CVG spans 600 acres that feature seven buildings totaling more than three million square feet of space, an expansive new ramp for aircraft parking, and a multi-story vehicle parking structure. Amazon has created more than 18,000 jobs in Kentucky since 2010 and invested more than \$20 billion across the state. These investments have contributed an additional \$18 billion to the Kentucky economy and have helped create over 49,000 indirect jobs on top of Amazon’s direct hires—from jobs in construction and logistics to professional services.

Industry Sectors

The Northern Kentucky region is targeting four industry clusters based on their employment momentum and growth potential: Advanced Manufacturing, Information Technology, Life Sciences, and Supply Chain Management & Support Services. These four clusters include 13 subclusters with more than 550 primary industry companies, representing strong diversity and innovation. Annual wages for jobs in these clusters are \$10,000 above the regional average. According to the report, the four target clusters are diverse in nature and companies in those sectors vary in size, which creates opportunities for a wide spectrum of businesses from startups to Fortune 500.

INFORMATION TECHNOLOGY

Most companies know information technology (IT) as critical infrastructure – the software and hardware, data security and internet applications that literally make business possible. Far from being merely a back-of-the-house function, though, IT is one of the most dynamic areas of the American – and Northern Kentucky – economy. Between 2019 and 2024, local IT employment grew by 8%.

ADVANCED MANUFACTURING

Northern Kentucky is well poised to support advanced manufacturing from R&D to production to the supply chain and access to your customers. Major manufacturing companies such as Mubea, Mazak, Safran Landing Systems, Parker Meggitt, Fives, and Celanese have already chosen Northern Kentucky for its competitive business advantage.

With a labor shed of over 1.5 million people and more than 48,000 people currently employed in advanced manufacturing, Northern Kentucky has a strong core of both professional and production workers. Supply chain programs, custom apprenticeships, and a highly recognized informatics program ensure that the future manufacturing workforce is equipped with skills and hands-on experience in engineering, operations, maintenance and repair, materials, data analytics, and information technology.

SUPPLY CHAIN

Northern Kentucky is a logistics and distribution juggernaut. The Cincinnati/Northern Kentucky International Airport (CVG) is now the fifth busiest cargo airport in the continental United States. Total cargo volumes at the facility have tripled during the past decade, and cargo activity at the airport is likely to experience significant growth in the years ahead.

Amazon rapidly built out its \$1.5 billion Air Hub at CVG, with operations launching in August 2021, and CVG is officially Amazon Air’s primary U.S. air cargo hub. DHL also opened its North American super-hub at CVG. The region is served by three interstates. Additionally, the Ports of Cincinnati and Northern Kentucky are among the busiest inland port districts in the nation. Northern Kentucky is home to leading global supply chain companies, with concentrations in aviation maintenance, logistics management & consulting, logistics technology, and materials & packaging.

Workforce Development

The Cincinnati region, including Northern Kentucky, is home to a skilled and educated young workforce. With prominent public and private academic centers such as Northern Kentucky University, Xavier University, University of Cincinnati, Miami University, Thomas More University and Gateway Community & Technical College, our region has robust workforce development opportunities and strong talent.

Every year, more than 80,000 degrees are awarded to students at higher education institutions within 75 miles of Northern Kentucky. These institutions represent a combined annual enrollment of more than 250,000 students.

Offering Memorandum Disclaimer

The material contained in this Offering Memorandum is confidential and for the purpose of considering the purchase of the Property described herein. It is subject to the terms and provisions of the Confidentiality Agreement signed by the recipient of this material, and is not to be used for any purpose or made available to any other person without the express written consent of Cushman & Wakefield, Inc. ("Broker").

This Offering Memorandum was prepared by Broker solely for the use of prospective purchasers of **CANCUN MEXICAN BAR & GRILL** (the "Property"). Neither Broker, the "Seller" nor any of their respective officers, employees or agents, make any representation or warranty, express or implied, as to the completeness or the accuracy of the material contained in the Offering Memorandum or any of its contents, and no legal commitments or obligations shall arise by reason of this package or any of its contents. Seller reserves the right to eliminate any portion or all of the Property from any offer for sale at any time prior to the completion of a binding contract of sale executed by both Seller and a prospective purchaser.

Prospective purchasers of the Property are advised (i) that changes may have occurred in the condition of the Property since the time of this Offering Memorandum or the financial statements therein were prepared and that (ii) all financial projections are provided for general reference purposes only in that they are based on assumptions relating to the general economy, competition, and other factors beyond the control of Broker and the Seller and, therefore, are subject to material variation. Prospective purchasers of the Property are advised and encouraged to conduct their own comprehensive review and analysis of the Property.

The Offering Memorandum is a solicitation of interest only and is not an offer to sell the Property. The Seller and Broker expressly reserve the right, at their sole discretion, to reject any or all expressions of interest or offers to purchase the Property, and expressly reserve the right, at their sole discretion, to terminate discussions with any entity at any time with or without notice. The Seller shall have no legal commitment or obligations to any entity reviewing the Offering Memorandum or making an offer to purchase the Property unless and until a written agreement satisfactory to the Seller has been fully executed, delivered, and approved by the Seller and any conditions to the Seller thereunder have been satisfied or waived.

This Offering Memorandum is confidential. By accepting the Offering Memorandum, you agree (i) that you hold and treat the Offering Memorandum and its contents in the strictest confidence, (ii) that you will not photocopy or duplicate any part of the Offering Memorandum, (iii) that you will not disclose the Offering Memorandum or any of its contents to any other entity without the prior written authorization of Broker and (iv) that you will not use the Offering Memorandum in any fashion or manner detrimental to the interest of the Seller or Broker.

The terms and conditions stated in this section will relate to all of the sections of the package as if stated independently therein. If, after reviewing this package, you have no further interest in purchasing the Property at this time, kindly return this brochure to the Broker at your earliest possible convenience.
