Only in Midtown | Major Employers

Midtown is Atlanta's commercial and cultural hub, a mecca for the creative class, and a catalyst for innovation and technology. The grid system that underpins the district allows for an urban, walkable lifestyle not matched by any other place in the Southeast. These intrinsic characteristics have made the neighborhood a hotbed for growth. Since 2015, 23,000+ new jobs have been announced, spurring new and transformative commercial developments.
