// PROPERTY OVERVIEW

OFFERING

Swartz Co Commercial Real Estate has been engaged as the exclusive broker for an exceptional industrial investment / owner-user opportunity located at 2316–2336 Lawrence Avenue in East Point, Georgia 30344. Spanning two parcels, this light industrial property features approximately 20,000 square feet of improvements across seven bays and is situated on an expansive 8.36-acre lot, offering both immediate functionality and long-term redevelopment or expansion potential.

The property's location in East Point provides a strategic advantage for investors and users alike, with close proximity to Hartsfield-Jackson Atlanta International Airport, major transportation corridors, and the broader Atlanta industrial market. This connectivity supports logistics, distribution, and light manufacturing uses while benefiting from strong regional demand and limited industrial land availability.

Offered at a listing price of \$7,000,000, this opportunity combines scale, zoning flexibility, and a highly desirable infill location, making it well-suited for investors seeking stable industrial assets with upside, as well as owner-users looking to establish or expand operations in one of Metro Atlanta's most supply-constrained submarkets.

For additional information, please contact Esty Hoffman or Ryan Swartzberg.
