INTRODUCING

164 NEEDHAM STREET

LOCATED IN LINDSAY'S
VIBRANT INDUSTRIAL CENTRE

THE OFFERING

164 Needham Street in Lindsay offers flexible industrial space from 8,867 sq. ft. up to 73,370 sq. ft., with clear heights ranging from 18' to 24'. Outdoor storage is permitted, and the property is fully gated with pass-code security access, on-site management, and a full-time custodian.

The building is fully sprinklered (new heads in 2025) and fire code compliant. Units feature a mix of exclusive and shared dock-level loading, with select units offering flush-entry and grade-level doors. Units 8 & 9 include a dedicated 3,000 kVA transformer (expandable to 4,000 kVA), while other units are serviced by shared transformers being replaced in Spring 2026, with additional power available for manufacturing users.

Offered at \$8.00 per sq. ft. semi-gross including TMI and utilities (approx. \$3.00 per sq. ft.), tenants are responsible only for their own waste and recycling removal. Convenient access to the GTA with lighter traffic flow enhances overall operational efficiency.
