(a) Rural Centers (Rural Village Center) (RVC). Rural village centers provide for most of the essential needs of the surrounding rural population and the traveling public. These areas supply a variety of basic goods and day-to-day services, while also providing a limited range of professional, public and social services. They are typically small, unincorporated commercial and residential community centers that provide rural levels of service and serve as a focal point for the local population. The boundaries of the rural village centers are predominantly defined by the contained, built environment as it existed in 1990 or before, as required by RCW [36.70A.070\(5\)](#) (d). Designated rural village centers include: Quilcene and Brinnon.
