Property Details

Prime medical/general office space is now available just minutes from the Geneseo exit off I-390 South. The Geneseo Office Park has one 1200sf suite available for lease. The suite contains several enclosed offices, a private restroom and open collaboration space. A considerable amount of secure storage space is available in the lower level of the building for tenant's use.

The property offers ample patient/client parking in close proximity to the building as well as great visibility from State Route 20A leading into the Village of Geneseo. The property has been well maintained and is professionally managed by the Cabot Group.

Currently, the Geneseo area is experiencing significant economic growth. The Geneseo Office Park is well positioned to offer new tenants a terrific location from which to provide their services.
