Description

Welcome to 810 N. Avalon Blvd, a classic 1927 beauty, sitting right in the heart of downtown Wilmington with two welcoming storefronts on the lower level and six roomy private office spaces upstairs, with high ceilings filled with natural light. Features include original hardwood floors, that add to the buildings natural charm, a prime location that encourages foot traffic and fosters a sense of community engagement, close proximity to Wilmington's Waterfront Park and the Port of Los Angeles, which enhances the recreational and industrial benefits surrounding this location, lots of zoning uses and a large potential upside in the rents makes this a great property for both investments and owner users!
