## THE OFFERING

Newmark, as exclusive advisor, is pleased to present an exceptional opportunity to acquire the fee simple interest of multiple parcels of office (BP) and industrial (MP) land in Rancho Cordova. These parcels are in the new Rio Del Oro development by Elliott Homes, on the eastern edge of the Rancho Cordova industrial submarket. The parcels may be sold individually or in bulk. The individual parcels range in size from 1.56 acres up to 14.36 acres, with the ability to put together up to 18.72 contiguous acres. With the new Amazon fulfillment center being completed nearby, as well as a large built-to-suit project in the works – this offering represents one of the few opportunities to acquire industrial land in a fast growing and in-fill area within the Greater Sacramento Region.
