

Lobby

The first step toward shaping the future workplace was to transform and energize the public spaces by revitalizing the lobby and rethinking the amenities.

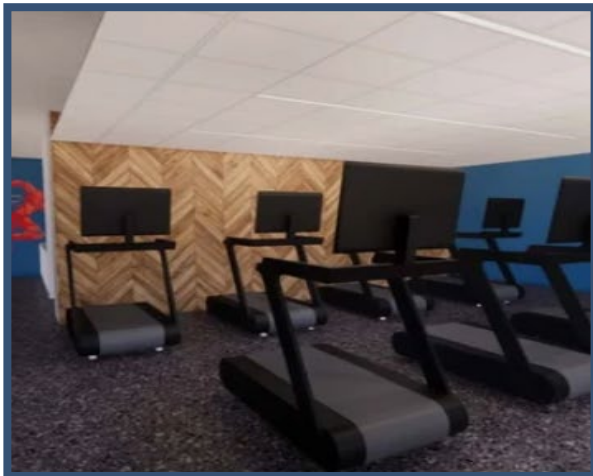

Signature Club

The Signature Club is an elevated concierge-style amenities hub for the property. Relax, work, meet, grab a coffee or a bite to eat in this premier hospitality setting.

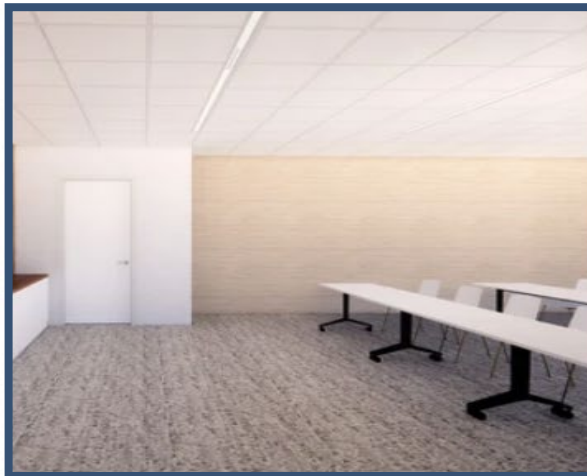

Dining

The 100 Kimball café takes the traditional 'office canteen' and turns it into a dynamic space for collaboration, focus and relaxation, not forgetting refreshment.

Wellness

Energized? Plenty of daylight floods into the spa/fitness center updated with the latest equipment and program offerings.

Conference/Training

A large executive board room with rich finishes and state-of-the-art technology. The training room creates a dynamic environment for employees learn and collaborate.
