EXECUTIVE SUMMARY

This offering includes a two-building industrial and technical campus totaling approximately 275,100 SF on over 47 acres, plus 26.05 acres of additional land for expansion or outdoor storage. The portfolio features a 224,000 SF manufacturing plant and a 51,100 SF technical center and office building, designed to support manufacturing, R&D, and corporate operations.

The manufacturing facility offers 19'–20' clear heights, multiple dock and grade-level doors, heavy 34.4kV power stepping down to 2.5 MVA, sprinkler coverage, and municipal utilities. The technical center provides office and R&D space with 16'–18' clear heights, full sprinkler coverage, strong electrical infrastructure, and ample parking. The campus is secured with controlled card access and extensive video surveillance, delivering a turnkey, power-rich, and expandable solution for large industrial users.
