WHY CHOOSE THIS PROJECT?

It's conveniently located behind Dick's Sporting Goods. The project features custom office buildings ranging from approximately 1,500 to 7,500 square feet, with pricing starting around \$550,000 and extending beyond \$2,500,000, depending on selected finishes and upgrades.

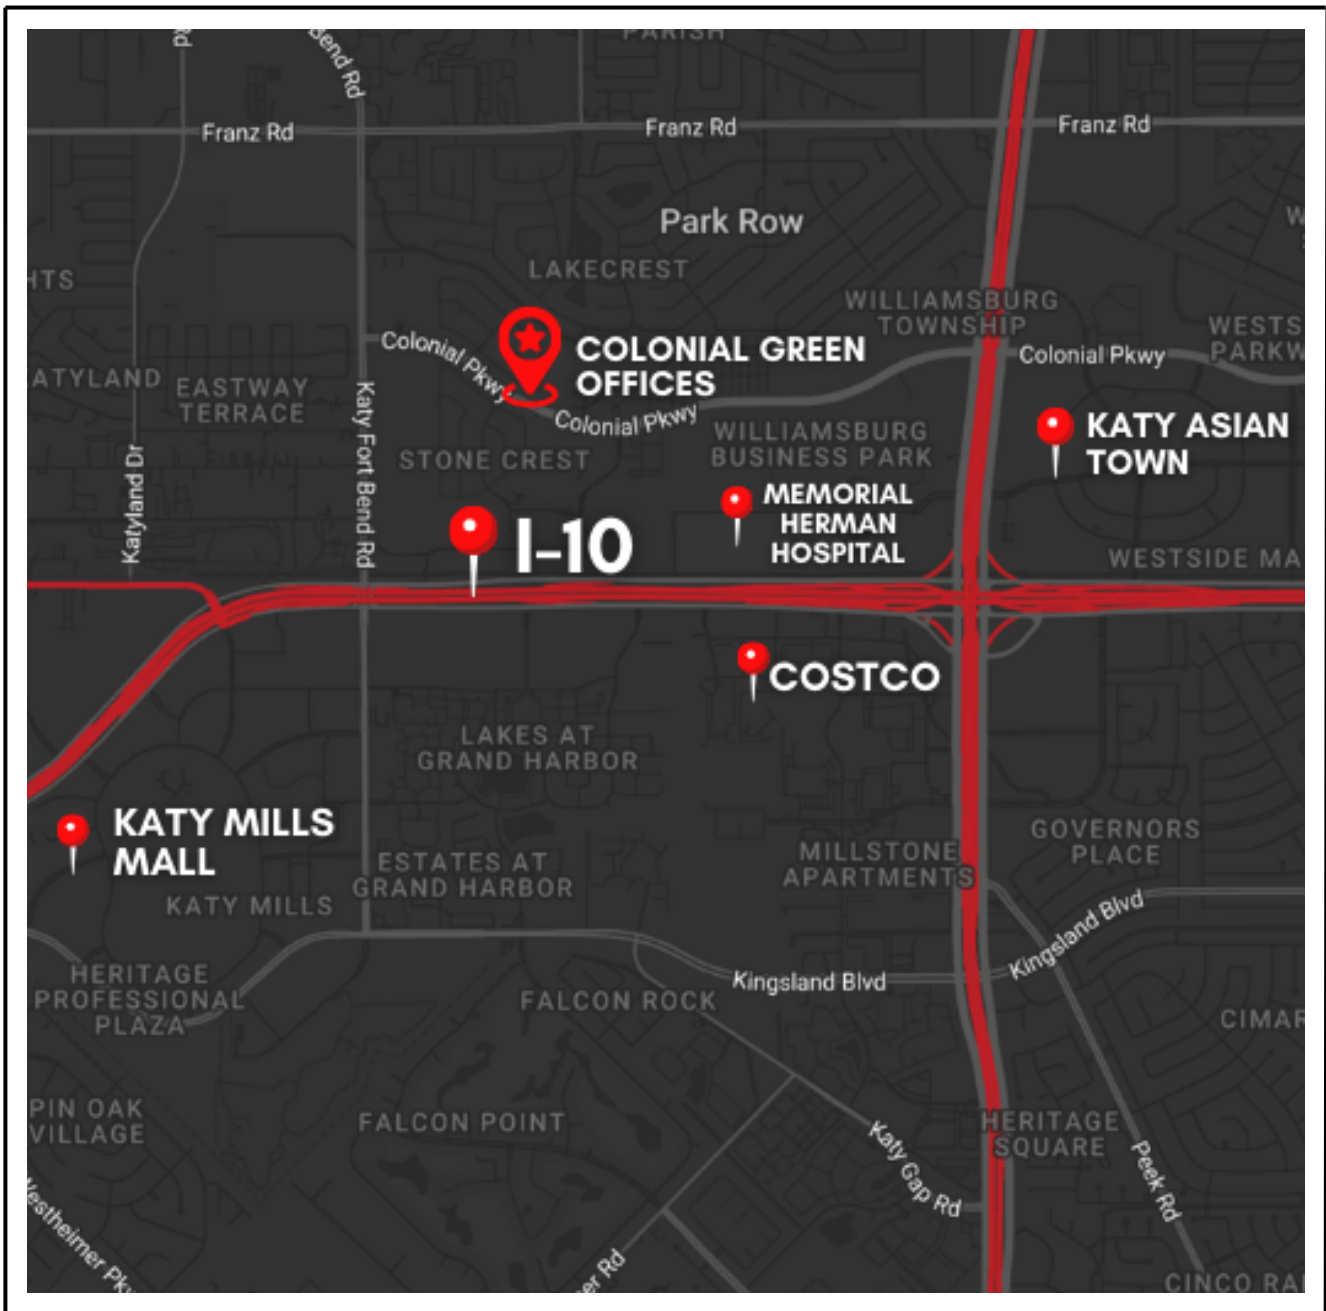

Ideally positioned near Memorial Hermann, Katy Mills Mall, Interstate 10, Highway 99, Old Town Katy, and a wide variety of dining and retail options, the site also offers easy access to Texas Children's West Campus and Houston Methodist West Hospital.

Each building will be individually designed to meet the buyer's unique needs, with options for one- or two-story configurations. All pricing is approximate, as final costs will be determined by factors such as location, building size, lot dimensions, features, and customization selections.
