THE SPORTS & ENTERTAINMENT DISTRICT

The Khan Family, owners of the Jacksonville Jaguars, are deeply engaged in the development of the Sports & Entertainment District, a key component of a major redevelopment effort transforming Downtown Jacksonville. The early phase of the emerging Sports & Entertainment District, which includes a restored Metropolitan Park, will deliver a downtown experience that blends urban design with waterfront entertainment. A modernized public marina with restaurant, a landmark Four Seasons™ Hotel and Residences, and a six-story office building will be the focal point for The Shipyards and the rebirth of the adjacent \$1.4 billion Stadium of the Future redevelopment.
