EVERY FLOOR IS A FIRST FLOOR

UNLOCK NEW POTENTIAL: TAILORED SPACES STARTING AT 31,000 RSF

Review Avenue Complex supports the growth of smaller ambitious businesses by offering customizable spaces starting as small as 31,000 rentable square feet. This pivotal opportunity allows qualified tenants to benefit from the same premium facilities as larger enterprises, all within a practical and cost-effective framework.

Upgrade to RAC's Class A warehouse space and experience the difference that top-tier infrastructure can make for your business.

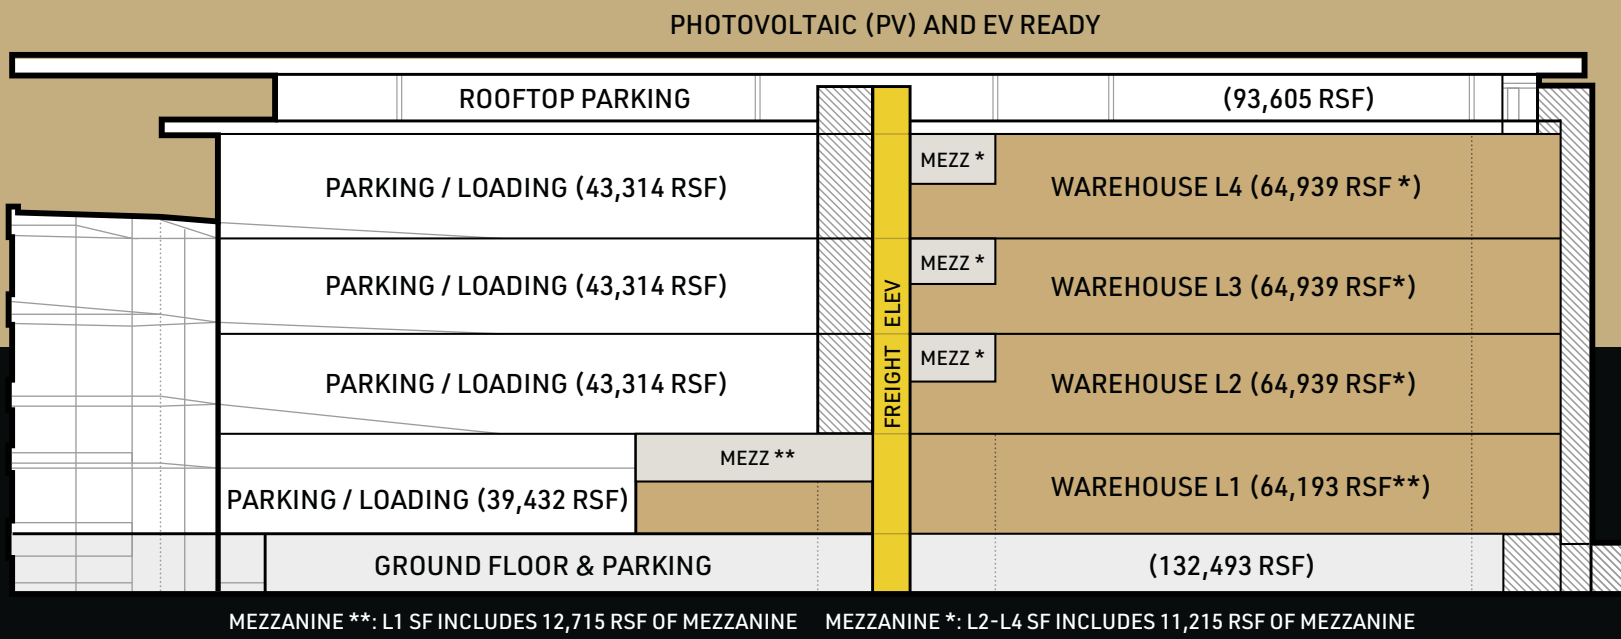

REVOLUTIONARY SPACE FOR A NEW GENERATION OF USERS

MULTISTORY IS OUR STORY

Multistory urban industrial facilities are the future for supply-constrained markets, like New York City. Minutes from Manhattan and six stories tall, the Review Avenue Complex offers 736,400-gross-square-feet of world-class space; generous parking on every level; ample loading docks and truck courts, adjacent to each warehouse suite; and a 35-foot-wide truck ramp for easy drive-up access to every floor and every space. At the Review Avenue Complex, “multi-level” means ground-level convenience.

GROUND FLOOR FEATURES ON EVERY FLOOR

Review Avenue Complex offers all the convenience of a ground-level facility with direct, drive-up access to every floor—and every floor offers abundant parking, its own truck courts and ample loading docks.
