SURROUNDING AREA

210 Fallen Horse Circle has a distinct geographical advantage being located directly on Route 50, which serves as the lone artery for entering and exiting the Eastern Shore of Maryland.

This location will serve the 77,000 cars that pass it each day and the 100,000+ cars that pass it during summer months. Beach-goers will also frequently sit in stop & go traffic directly at this location, providing an ideal opportunity for a quick-service

provider or convenience shop. In addition to transients, local Queenstown residents are in need of closer, more convenient food options that don't require traversing Route 50 during peak traffic.

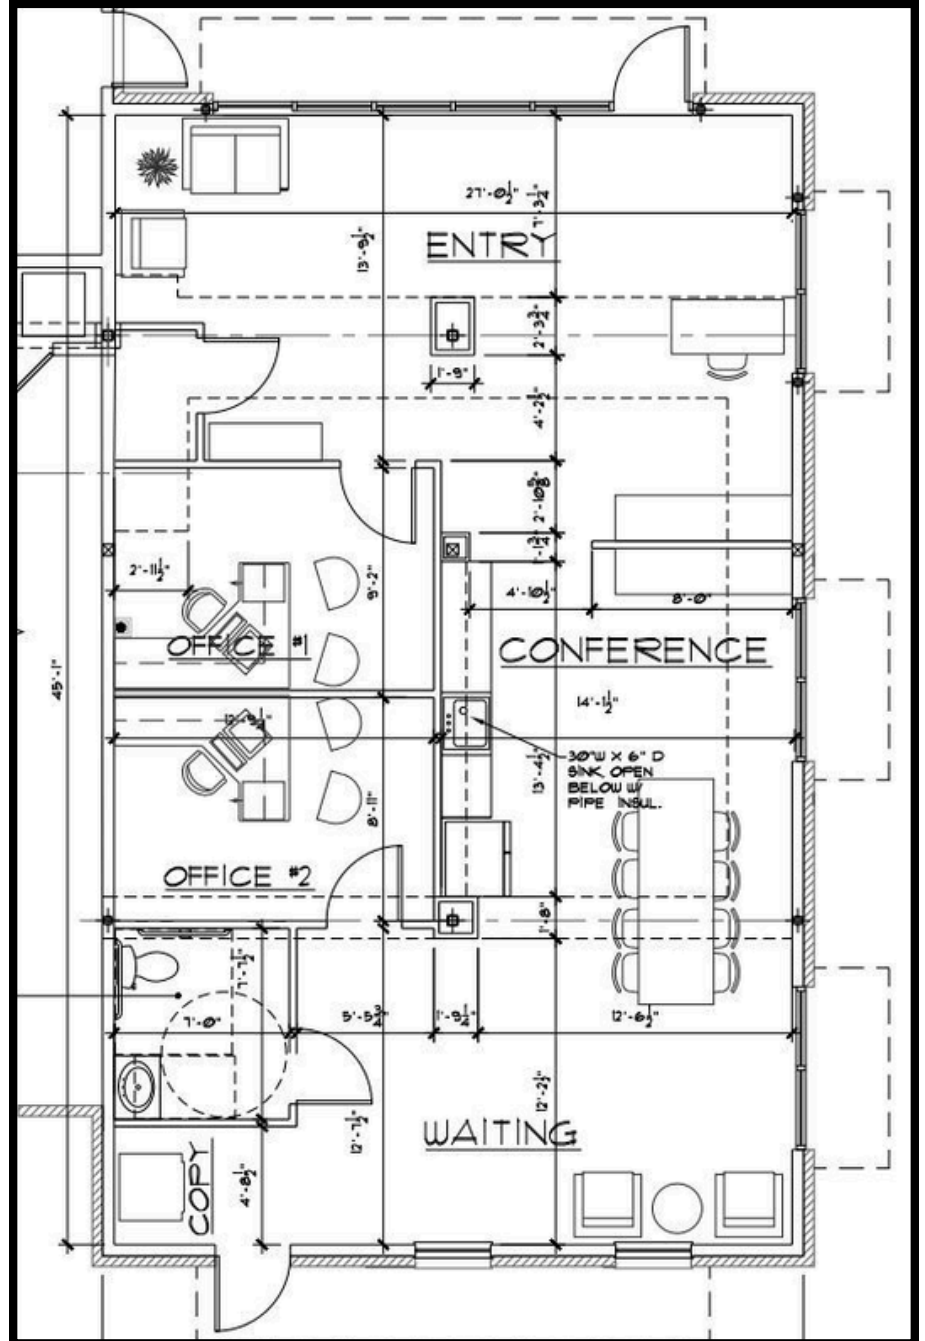

This location also serves as the primary medical hub serving Queen Anne's County. 210 Fallen Horse Circle provides a unique opportunity to practices who desire best-in-class co-tenant's at a much lower rental rate.
