## TENANT OVERVIEW - BATTERIES PLUS

Batteries Plus is a leading American specialty retailer offering an extensive range of batteries, light bulbs, and device repair services. Founded in 1988 in Green Bay, Wisconsin, the company is headquartered in Hartland, WI, and operates over 700 stores across 47 states and Puerto Rico, making it the nation's largest and fastest-growing battery and light bulb franchise with average unit volume of approximately \$750,000 per location, with top-performing stores exceeding \$1 million in annual sales.

Initially focused solely on batteries, the company expanded its product offerings to include specialty light bulbs and, in 2014, introduced repair services for smartphones and tablets. Today, Batteries Plus provides a comprehensive suite of services, including key fob programming, key cutting, and battery pack rebuilding. Its 'We Fix It' repair centers have performed nearly 2 million device repairs, solidifying its position as a top phone repair franchise in terms of retail locations nationwide.

The company serves both retail consumers and over 275,000 commercial and national accounts annually, offering solutions for industries such as healthcare, hospitality, construction, and government. Batteries Plus is backed by private equity firm Freeman Spogli & Co.. Batteries Plus continues to expand its footprint, with plans to open additional franchise and corporate locations nationwide.
