BUILDING FEATURES

LEED CERTIFICATION

ALTERNATIVE TRANSPORTATION

The building's choice to provide preferred parking for low-emitting and fuel-efficient vehicles, for 5.11% of the total parking, encourages visitors to choose more eco-friendly vehicles.

HEAT ISLAND EFFECT

The pavement on the site is light in color to reduce heat absorption. The roofing materials are light in color to reduce solar heat gain.

DAYLIGHT VIEWS

Located on the 77-acre wooded campus, glazing has been provided so all users have access to views.

GREEN ENERGY

70% of the building's electrical contract includes green power that comes from renewable resources such as solar or wind.

INDOOR CHEMICAL & POLLUTANT SOURCE CONTROL

The entryway system on the site is at least 10-feet long in the primary direction of travel to reduce the amount of dirt and particulates entering the building.

LEED CERTIFICATION

BUILDING FEATURES

STORAGE & COLLECTION OF RECYCLABLES

A dedicated materials and storage collection is located in the loading dock area, to provide access to designated recycling bins, which are then taken to local recycling facilities.

LOW-EMITTING MATERIALS

People spend more than 90% of their day indoors. With this in mind, all adhesives, sealants, composite wood and agrifiber products used throughout Building 9 were selected to reduce exposure of occupants to potentially harmful chemicals.

CERTIFIED WOOD

Lobby wood panels were certified in accordance with the Forest Stewardship Council's principles and criteria.

WATER USE REDUCTION

Low flow water closets, low flow urinals and metered low flow lavatories were installed, reducing the use of indoor water by over 40%. Limiting the use of potable water for landscape irrigation has been accomplished by choosing efficient irrigation controllers, reducing the amount of irrigation provided and choosing plantings that require smaller amounts of water. Together these systems reduce total irrigation water used by 50%.

OPTIMAL LOCATION

Conveniently located within a five minute drive to all of The Woodlands most coveted shops, eateries and entertainment districts.

FUTURE CENTRAL PARK

Chevron Phillips Chemical Company is relocating its headquarters to Research Forest Lakeside's Building 3. With Cellepoint Bio Services' relocation last year from San Diego and now with CP Chem's announcement, ten corporate headquarters have made the Research Forest Lakeside campus their home office.

CP Chem's confidence is the future of the Research Forest Lakeside campus commends the entire management staff and service providers.

Additionally, we have committed to transform Building 3's north parking into a green space featuring a covered pavilion equipped with a kitchen for outdoor cooking, walking trails and exercise stations, pickle ball courts, and a food truck cul-sac.

This amenity is ideal for social activities such as company picnics, group recreational activities, or just tossing the frisbee over lunch, and it is available for your enjoyment.

THE WOODLANDS MARKET HIGHLIGHTS

MARKET OVERVIEW

The Woodlands is a 28,000-acre master-planned community, with a population of more than 106,670. It is located approximately 30 miles north of downtown Houston and consistently ranks among the top bestselling, master planned communities in the nation.

Currently 49,000 employees work in the area with such major employers as ExxonMobil Corp, CHI St. Luke's The Woodlands, Memorial Hermann The Woodlands, Huntsman Corp, Baker Hughes, Talisman Energy, Aon Hewitt, Nexeo Solutions, Chevron, McKesson and Repsol USA. Continued growth is driven in part by the 385-acre ExxonMobil corporate campus creating an estimated 10,000-12,000 jobs and is 3-4 million square feet, as well as the new HP corporate campus located in the new Springwoods master-planned development.

The Woodlands has emerged as a major healthcare hub in the Houston area, representing almost a quarter of the area's total employment. Memorial Hermann, St. Luke's, Houston Methodist, and Texas Children's Hospitals represent four of the Woodlands' largest employers, accounting for nearly 6,000 employees combined. Additionally, M.D. Anderson is building a 20,000 SF outpatient clinic, expected to open in 2019.

Acting as the Central Business District of The Woodlands is Town Center, a 1,000 acres master-planned development. Town Center attracts over 20 million visitors annually with popular destinations, such as The Woodlands Mall, Market Street, Woodlands Waterway and The Cynthia Woods Mitchel Pavilion.

There are nine distinct villages that make up The Woodlands: Alden Bridge, Cochran's Crossing, College Park, Creekside Park, Grogan's Mill, Indian Springs, Panther Creek, Sterling Ridge & May Valley.

The Woodlands has seen tremendous growth over the past two decades, growing 135% since 1990, and benefits from its outstanding amenities including retail, hotel, and entertainment.

Information About Brokerage Services

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

TYPES OF REAL ESTATE LICENSE HOLDERS:

- **A BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- **A SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.

A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of *each party* to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
 - that the owner will accept a price less than the written asking price;
 - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
 - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

AS SUBAGENT: A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

LICENSE HOLDER CONTACT INFORMATION: This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
