

# Locate Your Business in a Thriving Medical Marketplace

## South Park Health & Wellness Center

South Park Health & Wellness Center is an emerging redevelopment of a retail center to a health and wellness center in Carrollton, Georgia located within walking distance from the core of the largest medical center in West Georgia.

Tanner Medical Center's Carrollton campus houses a 201-bed hospital and hundreds of specialty practices. The daily patient traffic here is ideal for those who provide medical and health and wellness services.

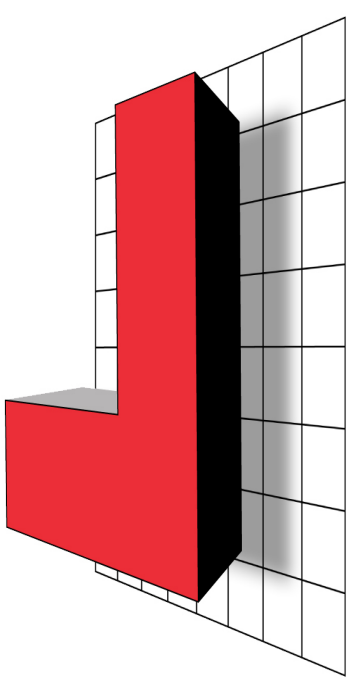

You will be in good company. National chains, regional powerhouse practices and local businesses with marketing savvy are all here. Come see for yourself.
