OPPORTUNITY

This ±73,320 SF industrial facility on 8.89 acres in Elkton, TN presents a strong opportunity for users or investors seeking immediate access and visibility along the I-65 corridor. The property offers a highly functional layout with a combination of dock-high and drive-in loading, generous clear heights, and crane-served warehouse space to support a range of manufacturing, fabrication, or distribution needs. Its proximity to the Alabama state line and direct interstate access allows for efficient connectivity throughout Middle Tennessee and into North Alabama.
