Positioned in one of Montrose's rapidly expanding commercial corridors, this versatile industrial property offers a rare opportunity with **two deeded parcels**, each consisting of **1.10 acres**. Available for purchase **individually or together**, this property provides flexibility for investors, owner-users, or developers looking to capitalize on a high-growth area.

One parcel is improved with an approximately **3,880 square foot building with additional ~8,467 sq ft carport** designed to support a variety of business operations. The existing improvements include a combination of **warehouse, office, and retail space**, along with additional outbuildings that enhance functionality and usability for multiple industrial or commercial uses.

Zoned **I-2 (General Industrial)** within the City of Montrose, the property supports a wide range of permitted uses, making it ideal for businesses requiring space, accessibility, and adaptability. The second parcel offers **valuable expansion potential**, allowing for future development, storage, or additional structures to support business growth.

Strategically located with **easy access off Highway 50 / N. Townsend Avenue**, the property benefits from strong visibility and convenient connectivity to major transportation routes. Surrounded by ongoing commercial development, this location continues to see increased demand and investment activity.

This is a unique opportunity to secure a **scalable industrial asset** in a thriving market with flexibility, income potential, and room to grow.
