

# TRAILER REWORK SERVICES:

- Offload
- Dismantle
- Repalletize
- Shrink Wrap
- Load and brace
- Freight delivery may also be an option

## TRAILER REWORK SERVICES Q & A:

Was the trailer in an accident and is it safe to drive a Hilo on?

If the trailer was in an accident, we will not rework damaged trailers.

What is the product?

We don't accept Hazmat, paint, chemicals, or obnoxious odors.

What is the weight of the product?

Stacking fruit is easier than bags of grain and will affect the cost.

## OTHER IMPORTANT INFORMATION:

Please make sure to provide an accurate number of the skids that need to be reworked.

We do not have food grade pallets. Please provide your own if necessary.

Please let us know if the freight be stacked on pallets or if it needs to be wrapped.
