306 assessment for the Property and/or the land of which it is a part and from which it is being separated. Removal from enrollment

307 in the Clean and Green Program may result in the charge of roll-back taxes and interest. A roll-back tax is the difference in the

316 (5 or 10 years). Covenants automatically renew at the end of the covenant period unless specific termination notice procedures

317 are followed. When a breach of the covenant occurs, the then-owner is required to pay roll-back taxes and interest. A roll-back

318 tax is the difference in the amount of taxes paid and the taxes that would have been paid in the absence of the covenant. The
