Available Suites

Suite F

Suite Overview

Suite F offers approximately 2,000 SF of functional office-warehouse space with a predominantly open warehouse area, two private offices, and two restrooms. A grade-level drive-in door provides direct access for equipment, materials, and inventory, while separate personnel entrances serve the office and warehouse portions of the suite.

The clear-span warehouse and compact office component make the space a practical option for contractors, service businesses, light distribution, storage, and other users needing warehouse functionality with administrative space.

Suite Highlights

- Approximately 2,000 SF
- Approximately 310 SF of finished office area
- Two private offices
- Two restrooms
- One grade-level drive-in door
- Clear-span warehouse with no interior columns
- Concrete slab warehouse floor
- Separate office and warehouse entrances

LOCATION & ACCESS

Mobile, Alabama

Location Overview

Halls Mill Industrial Park is positioned along Halls Mill Road and Navco Road in Mobile, with frontage along both roadways. The property offers convenient access to Government Boulevard/US-90 and I-65, providing practical connections to Mobile's commercial districts, industrial areas, downtown, and regional transportation network.

- Frontage along Halls Mill Road and Navco Road
- Convenient access to Government Boulevard/US-90
- Quick connectivity to I-65
- Accessible to downtown and Mobile business districts
