Metro

Metro B Line (aka Red Line)

The B Line (formerly the Red Line from 1993–2020) is a fully underground 14.7 mi (23.7 km) rapid transit line operating in Los Angeles, running between North Hollywood and Downtown Los Angeles. It is one of six lines in the Los Angeles Metro Rail system, operated by the Los Angeles County Metropolitan Transportation Authority. Built in four stages between 1986 and 2000, the line cost \$4.5 billion to build.

The B Line is one of the city's two fully-underground subway lines (along with the D Line). The two lines share tracks through Koreatown and Downtown Los Angeles. As of 2019, the combined B and D lines averaged 133,413 boardings per weekday.

In 2020, Metro renamed all of its lines using letters and colors, with the Red Line becoming the B Line (retaining the red color in its service bullet) and the Purple Line becoming the D Line.
