Data Note: Income is expressed in current dollars. Housing Affordability Index and Percent of Income for Mortgage calculations are only available for areas with 50 or more owner-occupied housing units. The Gini index measures the extent to which the distribution of income or consumption among individuals or households within an economy deviates from a perfectly equal distribution. A Gini index of 0 represents perfect equality, while an index of 100 implies perfect inequality.

GREAT OPPORTUNITY

HIGHWAY 1 & OLD MOORINGSPORT RD. SHREVEPORT, LA 71107

Property is located on the only MAJOR north-south corridor for all of the communities shown on the area map. Anyone working in the cities of Shreveport/Bossier and living in these communities will travel Highway 1 - twice every work day. The Town of Blanchard is the second fastest growing town in Louisiana.

BLANCHARD, LOUISIANA

Blanchard met three criteria for making number two: Median household income (adjusted for cost of living), education attainment, and property crime rates. Blanchard was only behind #1 ranked Youngsville, Louisiana. Blanchard is celebrated as having well educated, financially secure citizens with a median household income \$99,057 and property crime rate per 1,000 residents of only 1.14%.
