While the tenant's past performance at this or other locations is an important consideration, it is not a guarantee of future success. Similarly, the lease rate for some properties, including newly-constructed facilities or newly acquired locations, may be set based on a tenant's projected sales with little or no record of actual performance, or comparable rents for the area.

Returns are not guaranteed; the tenant and any guarantors may fail to pay the lease rent or property taxes, or may fail to comply with other material terms of the lease; cash flow may be interrupted in part or in whole due to market, economic, environmental or other conditions. Regardless of tenant history and lease guarantees, Buyer is responsible for conducting his/her own investigation of all matters affecting the intrinsic value of the property and the value of any long-term lease, including the likelihood of locating a replacement tenant if the current tenant should default or abandon the property, and the lease terms that Buyer may be able to negotiate with a potential replacement tenant considering the location of the property, and Buyer's legal ability to make alternate use of the property.

By accepting this Marketing Brochure you agree to release VanWest Real Estate Group, LLC and hold it harmless from any kind of claim, cost, expense, or liability arising out of your investigation and/or purchase of this investment property.

No warranty or representation is made as to the accuracy of the foregoing information. Terms of sale, lease, and availability are subject to change or withdrawal without notice.
