THE RIGHT EXPERT FOR THE JOB!

Bruce Smenner is a seasoned real estate professional with over 30 years of experience. He has an in-depth understanding of the apartment industry, having started his career at Sawicki Realty Company, where he spent over a decade managing 1,500 units.

In 2000, Bruce joined his father, Dick Smenner, in specializing exclusively in apartment sales. With over 50 years of expertise, Dick was a pioneer in apartment transactions across Northwest Ohio and Lower Michigan. Together, they built a legacy of focusing solely on listing and selling apartment buildings—never leasing or managing—an approach Bruce proudly continues today.

No matter the size—large, medium, or small—Bruce specializes in listing and selling apartment communities with unmatched professionalism and service.

CAPITAL IMPROVEMENTS

The seller purchased this property in 2022. Prior ownership had neglected the asset and made no reinvestments. Since acquisition, the current owner has invested approximately \$378,000 in higher-than-normal maintenance costs and has required substantial capital improvements, including unit renovations, new appliances, updated flooring and carpeting, HVAC replacements, roof and siding upgrades, and other enhancements.

On the expense side, we have provided a proforma for maintenance. Many units required more than the typical \$400–\$1,000 turnover, with significant work completed across the property. To date, approximately 15 of the 32 units have been renovated since 2022.

This creates an opportunity for a new buyer to complete the remaining improvements and realize the property's full potential.
