## AT A GLANCE

- ◆ Lorain, a municipality in Lorain County of Northeastern Ohio on Lake Erie, was originally settled in 1787 as a small village named “Mouth of Black River”. By 1874 the village had grown and was incorporated as the city of Lorain, named for the county in which it was located.
- ◆ Ford Motor operated Lorain Assembly Plant until it ceased operations in December 2005 because UAW and Ford Management were unable to come to terms on a new contract.
- ◆ Sprawling US Steel, portions acquired by Republic Steel, stretches nearly 3 miles on the city's south side. It has operated since 1895 and continues to employ 1000's of local residents. Though the blast furnaces were idled in late 2008, Republic announced in December of 2011 that it was building electric arc furnaces to once again make steel.
- ◆ Notable people born in Lorain include Helen Steiner Rice, renowned author & poet; Don Novello aka Father Guido Sarducci on Saturday Night Live; and Anthony Hitchens, linebacker for the Dallas Cowboys who was drafted in the 4th round of the 2014 NFL draft—he played college football for the University of Iowa.
