

8520

164TH AVE NE | REDMOND WA

SALE PRICE \$6,000,000

EASTSIDE DEVELOPMENT OPPORTUNITY

THE OFFERING

Lee & Associates Commercial Real Estate Services, LLC ("Lee & Associates"), is pleased to present the opportunity to acquire 8520 164th Ave NE, an 18,000-square-foot corner development site situated in the heart of Redmond.

The property, currently zoned Town Square (TSQ), allows for a maximum height of 85 feet. This offering provides developers a prime opportunity to build a roughly 130-unit multifamily project on a centrally located, flat site in Downtown Redmond.

As part of the Redmond 2050 initiative, the city reduced the number of zoning districts from 50 to 18, with the Downtown Core zone encompassing areas previously designated as TSQ while allowing for the same base density. The location benefits from exceptional connectivity, including its proximity to the Redmond

Transit Center (0.2 miles) and the Sound Transit East Link Light Rail station. These features, coupled with flexible development options, position the site as a unique value proposition in one of the Eastside's fastestgrowing markets. This property is ideally situated near Redmond's key amenities, offering immediate access to shopping, dining, and recreational opportunities. Its walkable and bikeable location, in close proximity to Lake Sammamish and Marymoor Park, enhances the appeal to future residents.
