

STREET

8010 Towers Crescent Drive, Tysons

Unlocking Access

8010 Towers Crescent Drive—an iconic property in the Tysons skyline—features incredible building signage with amazing finished and unfinished ceiling heights, great window line with park and fountain views, and parking geared towards today's flexible workforce. The unique floorplates feature limited columns, an internal stair, great natural light, and tenant-only balconies. This boutique building is situated in the most readily accessible location in Tysons offering immediate access off I-495 and a multitude of ingress/egress options.

Located at the heart of connection and visibility

- 7-minute covered walk to the Tysons Corner Metro Station
- Immediate access to I-495, the Hot Lanes (North & South), Dulles Toll Road, and I-66
- Top of building signage opportunity
