PROPERTY DESCRIPTION

Discover the potential of this prime industrial property in Jacksonville, FL. Boasting a spacious 3,204 SF building, this single-unit gem is ideally suited for industrial, warehouse, or distribution purposes. Zoned IBP, it offers the flexibility and functionality desired for a range of industrial operations. Located in the thriving Jacksonville area, this property provides a strategic advantage for your investment. With its impressive features and sought-after location, this property presents a compelling opportunity for industrial, warehouse, and distribution investors seeking a strong foothold in the dynamic Jacksonville market.

LOCATION DESCRIPTION

Discover the endless potential of Jacksonville, FL, for your industrial or manufacturing venture. The area surrounding the property is known for its strategic location and vibrant business environment. With easy access to major transportation routes and a strong industrial workforce, this location offers unparalleled opportunities for growth and success. Nearby points of interest include the I95/I10 Junction, JAXPORT, and Metro Downtown Area, providing convenient logistics solutions for businesses of all sizes. Embrace the bustling energy of this dynamic city and position your industrial or manufacturing operation for long-term prosperity in Jacksonville.

SITE DESCRIPTION

735 North Canal Street is an IBP-zoned industrial warehouse offering approximately 3,000 square feet of open warehouse space and 200 square feet of office space. The property features three-phase power, a brand-new 10' x 10' roll-up door, a new roof, a newly paved parking lot with approximately 15 spaces, and a brand-new exterior fence, providing secure and efficient functionality. Ideal for storage, wholesaling, or distribution, this well-maintained facility is ready to support a wide range of industrial operations.
