Specs

High-Demand Industrial Submarket

The East San Gabriel Valley industrial market maintains a 93 percent occupancy rate, supporting strong rent fundamentals and sustained tenant demand in a historically tight corridor.

Rare ±28,277 SF Infill Industrial Offering

With limited availability of mid-size warehouse buildings in San Dimas, this property represents a scarce opportunity for both owner-users and investors seeking functional Class B industrial product.

Highly Functional Warehouse Configuration

The building features 22 ft clear heights, three dock-high loading positions, and a flexible industrial layout, making it ideal for distribution, manufacturing, and logistics-driven users.

Robust Power Capacity for Modern Operations

Equipped with 400A / 277-480V, 3-phase, 4-wire power, the building supports a wide range of light manufacturing, assembly, and heavier industrial applications.

Flexible M-1 Zoning with Strong Utility

San Dimas M-1 zoning allows for warehousing, distribution, light manufacturing, and ancillary office, offering broad operational flexibility and a wider future buyer pool.

Proven Market Sales Velocity in This Size Class

Recent comparable industrial sales in the immediate area are trading around \$283-\$317 per square foot, demonstrating strong liquidity and pricing support for assets in this size range.
