The University of California, Santa Barbara boasts a 4.0 Average Acceptance GPA, a high benchmark achieved by only the top echelon students in the country

UCSB: One of the nation's premier public universities

The University of California, Santa Barbara boasts a sprawling campus situated on 1,055 acres along the pristine California coastline about 100 miles northwest of Los Angeles.

Newsweek has named UCSB one of the country's "hottest colleges" twice in the past decade, and U.S. News and World Report ranks UCSB number 5 among all public universities in its 2022 "Best Colleges" guide.

The university offers over 200 majors, degrees and credentials and boasts an **international student enrollment totaling approximately 25,976 with 3.7% growth from the previous year and 3.2% 5-yr. average growth**. The school consistently bests its annual records for most new applicants, pulling in close to 92,000 for the 2019–2020 term. Additionally, UCSB remains one of the toughest 4-year institutions to get into, demonstrated by its **stringent 32.2% acceptance rate versus the 54.5% national acceptance rate**.

UCSB's renowned current and former faculty includes 6 Nobel Laureates, 41 members and fellows of the prestigious American Academy of Arts and Sciences, 60+ Guggenheim Fellowships, an elusive honor intended for individuals who have demonstrated exceptional capacity for productive scholarship or exceptional creative ability in the arts, and 29 faculty members bestowed with election to the National Academy of Engineering, which is among the highest professional distinctions accorded to an engineer; these are just a few of the distinctions that place UCSB among the top tier of the country's most desirable universities for undergraduate and graduate students.

Not to be outdone by the university's intellectual prowess, **the UCSB Gauchos sports teams are highly regarded in Division I college athletics**. A member of the Big West Conference and Mountain Pacific Sports Federation, the Gauchos perennially elicit top recruits from around the world drawn to the university's acclaimed water polo, swimming, soccer, baseball and volleyball programs.

Close to having it all

While Isla Vista certainly enjoys its own unique brand of cool, youthful California coastal vibe apart from its larger neighbors Goleta and Santa Barbara, residents have easy access to all the creature comforts within a short walk, bike ride or drive. Mere footsteps from UCSB, the predominantly sub-24-year-old community largely made up of full-time college students also benefits from numerous neighborhood dining and shopping staples within its own streets, as well as three major shopping centers and the Santa Barbara Municipal Airport within a half mile. The US 101 Freeway is just a few minutes away, while those without a car can quickly hop on the Santa Barbara MTD busline to get by. And the nature lovers who simply crave the great outdoors are satiated by ideal surf & sand beaches and numerous jaw-dropping biking, running and walking trails, all just beyond their doorstep.

PRIME CENTRAL LOCATION

Just a few minutes north of Santa Barbara on California's sunny Central Coast. Under 100 miles from LA to the south and a short 325-mile flight to San Francisco.

BURGEONING TECH HUB

Ideal location with high quality of life caters to fresh young talent from UCSB with its acclaimed engineering program — key reasons the area has become a major Tech hub.

NUMEROUS NEARBY AMENITIES

Three major shopping centers within a half mile of Isla Vista offer numerous dining and shopping options, plus two high quality hotels close by.

DIRECT FLIGHTS TO WESTERN U.S. & MORE

Easy access to the region's only commercial airport serviced by six national airlines with direct flights to major West Coast cities plus Chicago, Dallas and Salt Lake City.

SURF, SUN, HIKE

Boards and bikes abound as Isla Vista caters to an active outdoor lifestyle with stunning beaches and wide open spaces. Nearby More Mesa offers a nature preserve, vast network of trails, access to Santa Barbara's most isolated beach, and breathtaking views of the Pacific Ocean and Channel Islands. The breaks off Campus Point offer surfheads year-round swells and some of the best surf on the Central Coast.
