## THE OPPORTUNITY

Foundry Commercial has been retained as the Exclusive Agent in the sale of 173 Technology Way, a 125,000 SF newly constructed warehouse in Bowling Green, KY (the "Property"), located in the Kentucky Transpark.

The Property was recently constructed and has expansion potential up to a total of 250,000 SF or excess land for trailer storage or outside storage. Situated on approximately 16.7 AC in the Kentucky Transpark, the facility is suitable for warehousing, distribution, or manufacturing. The building is ideal for a single tenant layout, and additional dock doors can be added to the building.

Bowling Green, KY and the Kentucky Transpark are roughly equal distance from Louisville, KY and Nashville, TN along I-65, one of the busiest industrial corridors in the country. The Property is located approximately 2 miles from I-65 on a directly connected, divided highway with a dedicated interstate interchange. South Central Kentucky is known as the nation's leading producer of electric vehicles and auto manufacturing with access to a strong, skilled labor pool.

## REVVING UP THE WORKFORCE

### ACCESS TO A SKILLED LABOR POOL

A highly skilled and available workforce is the engine that drives Kentucky's economy. An abundance of engineering degree programs are available at Kentucky's colleges and universities, including specialized chemical, electrical, industrial, mechanical and materials engineering bachelor's and master's programs, as well as an engineering physics bachelor's program.

In addition, the Kentucky Community and Technical College System (KCTCS) offers a variety of manufacturing-specific academic programs that combine classroom instruction with practical experience.

### TALENT AND EDUCATION

Western Kentucky University (WKU) and Southcentral Kentucky Community and Technical College (SKYCTC) are South Central Kentucky's largest providers of public, postsecondary education.

**WKU** • Offers certificate programs in Manufacturing & Logistics, Manufacturing Processing & Technology, and Six Sigma & Quality

• Motorsports education initiative from the Bowling Green Area Chamber of Commerce which introduces critical STEM concepts in a practical setting that will help develop a highly-skilled talent pipeline

• #1 community college for degree completion in Kentucky  
• Glasgow Technology Campus offers Industrial Maintenance Technology program is 5 miles from subject property

- 41 Postsecondary Facilities within 60 miles
- 37 average age in South Central Kentucky
- 18% lower average wage compared to national average

### WARREN COUNTY A WORK READY COMMUNITY

Kentucky has the most rigorous workforce certification program in the nation. The Work Ready certification is an assurance to business and industry that the Kentucky community is committed to providing the highly skilled workforce required in today's competitive global economy. Warren County has been certified as a Work Ready Community, which county administrators see as a label that will foster interest in the county among companies considering locating there.

173 TECHNOLOGY WAY, BOWLING GREEN, KY 42101

*The information on 173 Technology Way, Bowling Green, KY ("Property") provided by Foundry Commercial, LLC may be used only by parties approved by Foundry Commercial, LLC and the Owner. The Property is privately offered and, by accepting this Offering Memorandum, the party in possession hereof agrees (i) to return it to Foundry Commercial, LLC immediately upon request of Foundry Commercial, LLC or the Owner and; (ii) that this Offering Memorandum and its contents are of a confidential nature and will be held and treated in the strictest confidence. No portion of this Offering Memorandum may be copied or otherwise reproduced or disclosed to anyone without the prior written authorization of Foundry Commercial, LLC or the Owner.*

*The information contained in this Offering Memorandum is confidential, furnished solely for the purpose of a review by a prospective purchaser of the Property and is not to be used for any other purpose or made available to any other person without the expressed written consent of Foundry Commercial, LLC. This information is presented to you for your information only to determine if you are interested in pursuing this investment opportunity as a Principal. The material is based in part upon information supplied by the Owner and in part upon information obtained by Foundry Commercial, LLC from sources it deems reasonably reliable. Summaries of any documents are not intended to be comprehensive or all-inclusive, but rather only outlines of some of the provisions contained herein. No warranty or representation, expressed or implied, is made by the Owner, Foundry Commercial, LLC, or any of their respective affiliates as to the accuracy or completeness of the information contained herein or as to engineering or environmental matters. Prospective purchasers should make their own projections and conclusions without reliance upon the material contained herein and conduct their own independent due diligence, including engineering and environmental inspections, to determine the condition of the Property and the existence of any potentially hazardous materials on the property.*

*The Owner and Foundry Commercial, LLC expressly reserve the right, at their sole discretion, to reject any or all expressions of interest, or offers to purchase the Property and/or terminate discussions with any party at any time with or without notice. The Owner shall have no legal commitment or obligation to any purchaser reviewing this Offering Memorandum or making an offer to purchase the Property, unless a written agreement for the purchase of the Property has been fully executed, delivered, and approved by the Owner and any conditions to the Owner's obligations thereunder have been satisfied or waived. Foundry Commercial, LLC is not authorized to make any representations or agreements on behalf of the Owner.*

*The terms and conditions set forth apply to the Offering Memorandum in its entirety. Foundry Commercial, LLC is acting as the exclusive Agent for the Seller in this transaction.*
