We are pleased to present a rare opportunity to own a cashflowing historic investment property in Boulder City. Possibility for owner user as well. Although this is an historic building, the entire building has been retrofitted and renovated (approx. 2006) with sprinklers/fire alarm system, ceiling joists, HVAC, Plumbing, ADA COMPLIANT, etc. Currently leased as percentage lease antique market with many long term vendors with one year long waitlist for more interested vendors indicating strong demand for space. Potential for additional space usage and increased income. Current owner manages tenants/vendors and employs a few individuals to do so, employees can continue to manage vendors, property, etc. if needed. Parking lot is city property and is public use and street parking is also available. Owner selling for retirement. Images of vacant building are PRIOR to current tenant and for reference/illustration of size of space ONLY. Layout has not changed since that time. Two bathrooms in building (one picture, other is the same size) Buyer/Buyer's agent to verify all measurements, claims,...
