Amazing hosts, we utterly enjoyed our 3-day film shoot in the Designer gallery, going deep into the AM hours. Such a unique spot in Brooklyn!”

Madelyn, Director

We had an art exhibition and after-party at the space. We had great support in terms of a DJ, catering and much more. I strongly recommend this place!

Robert, Event Manager

”

I am an artist and producer, and held my personal exhibition at the space. I had since arranged several private projections of my artwork as well. The passion of our hosts is admirable.

Cannot recommend this space and the team enough! I reached out about planning a proposal in the gallery, with a small surprise party planned for later in the evening. Lennah and Tyler were so enthusiastic and helpful in making the event seamless. The team even left roses in the space for us. Great experience!
