THE OPPORTUNITY

JNM Realty proudly presents, on an exclusive basis, 681 Shatto Pl, an extremely well-managed and maintained thirty (30) unit apartment building in the heart of Koreatown. The subject property stands out as it is one of the few non-brick buildings in the area. It is one block from the brand new Wilshire/Vermont Metro Station and located across the street from Loyola Law School, surrounded by employers and activity.

The property features twenty-four (24) large Studio units and six (6) 1-bedroom/one-bathroom units. Twenty-four (24) units are renovated and there is over 45% potential upside for non-renovated units. Renovated units feature new kitchens, flooring, electrical systems, and new appliances. Three (3) units will be delivered vacant at close.

The property has been excellently maintained over the past 12 years, resulting in an easy-to-manage tenant base and quality finishes on capital expenditures and unit renovations. The opportunity offers an astounding 6.94% going-in cap rate and only \$215/sqft with upside potential for select units. With the proper financing, a buyer could achieve a 9.05% cash-on-cash return based on in-place numbers.

JNM Realty manages over 3,500 properties in Los Angeles and Orange County and is available to manage this asset for buyers.

All offers are encouraged. Please call Demis at (310) 270-6616 to discuss further.
