About RPR (Realtors Property Resource)

- Realtors Property Resource® is a wholly owned subsidiary of the National Association REALTORS®.
- RPR offers comprehensive data – including a nationwide database of 164 million properties – as well as powerful analytics and dynamic reports exclusively for members of the NAR.
- RPR's focus is giving residential and commercial real estate practitioners, brokers, and MLS and Association staff the tools they need to serve their clients.
- This report has been provided to you by a member of the NAR.

About RPR's Data

RPR generates and compiles real estate and other data from a vast array of sources. The data contained in your report includes some or all of the following:

- **Listing data** from our partner MLSs and CIEs, and related calculations, like estimated value for a property or median sales price for a local market.
- **Public records data** including tax, assessment, and deed information. Foreclosure and distressed data from public records.
- **Market conditions and forecasts** based on listing and public records data.
- **Census and employment data** from the U.S. Census and the U.S. Bureau of Labor Statistics.
- **Demographics and trends data** from Esri. The data in commercial and economic reports includes Tapestry Segmentation, which classifies U.S. residential neighborhoods into unique market segments based on socioeconomic and demographic characteristics.
- **Business data** including consumer expenditures, commercial market potential, retail marketplace, SIC and NAICS business information, and banking potential data from Esri.
- **School data and reviews** from Niche.
- **Specialty data sets** such as walkability scores, traffic counts and flood zones.

Update Frequency

- Listings and public records data are updated on a continuous basis.
- Charts and statistics calculated from listing and public records data are refreshed monthly.
- Other data sets range from daily to annual updates.

Gina Mercorelli

RE/MAX *Select*
REALTY

Gina Mercorelli-Diaz was born and raised on football in Canton, Ohio. After attending Kent State University, she spent almost 10 years in the Fort Lauderdale/Broward County area before relocating north to Pittsburgh with a large mall developer. She managed Century III Mall and the Galleria of Mt. Lebanon for a combined 13 years. She is an expert in the Pittsburgh market.

Gina is now focused on representing home-owners and the responsibility that comes with being an Realtor. She approaches each day with leadership and a solution-oriented mindset. She has an honest, pragmatic, and bulletted approach to everything she does. Her knowledge and professional approach will make the process of selling a home a simple, clear and successful experience.

In 2019, Gina became a Certified International Property Specialist (CIPS) designee. As a CIPS designee, Gina has undergone specialized training to complete global transactions seamlessly and with reduced risk. The CIPS designation is the only international designation recognized by the National Association of REALTORS®. Only REALTORS® who have completed the coursework and demonstrated considerable experience in global business can call themselves a CIPS designee ~ there are about 5000 CIPS trained REALTORS® worldwide. Gina strives to serve as a point of contact for international home buyers in Pittsburgh and for Pittsburghers looking to move internationally. To best serve everyone, she is a member of National Association of Hispanic Real Estate Professionals® and Asian Real Estate Association of America®.

When she's not busy helping clients, Gina enjoys spending time with her husband and daughter, attending her daughter's soccer games, cooking (always from scratch) and entertaining in her kitchen, wine making and traveling to Europe. She volunteers/works with the Humane Animal Rescue, Operation Troop Appreciation, and Greater Pittsburgh Food Bank on Wish List fundraisers with her clients.
