ABOUT OWENS

3-STORY OFFICE BUILDING

A well maintained, visually appealing, eco-friendly building that enhances public image and ensures overall health and wellness. Owens Realty Services has been delivering it all to clients for more than 30 years. As a full-service global firm, we provide solutions for all aspects of facility management and investment property management - including maintenance, housekeeping and environmental services. As an owner and tenant in the building, Owens Realty Services ensures the highest standard of service and specialized expertise while under our management.

MANAGEMENT

Owens Realty Services Facility Managers are experienced in providing effective and efficient operational plans for the buildings under our management. We understand the importance of reliability, responsiveness and implementing industry best practices.

MAINTENANCE

Preventative maintenance is a critical and cost-effective approach to mechanical maintenance. Tenant and client requests are quickly responded to by our courteous staff. We provide 24-hour facility management and maintenance through our manned dispatch center.

JANITORIAL

Owens Realty Services is committed to utilizing the most innovative products, equipment, and processes to ensure that we provide a safe and clean environment to every building's occupants and visitors. We are proud to have a disinfection strategy that adheres to OSHA and CDC recommendations, uses hospital-grade technology, and increases frequency to provide peace of mind for you and your team.
