# TWO CITIES. ONE NEW NEIGHBORHOOD.

The HYM Investment Group is on a mission to reconnect the East Boston and Revere communities that surround Suffolk Downs.

In 2017, Suffolk Downs was purchased by HYM and its investors with a vision to create a welcoming neighborhood designed around new ways of living and working. Today, Suffolk Downs is being reborn as a new urban district with a dynamic mix of uses and offerings connected and supported by public open space, neighborhood retail, and civic spaces. Directly connected to a rich history, and to the communities it adjoins, this extraordinary evolution of our city promises all who live, work, and visit the opportunity to feel optimism for the future.

# Local Landscape

East Boston and Revere are home to historically diverse communities with immigrants from all over the world. This diversity is reflected in the wide range of cuisines represented in the existing restaurant scene which includes some of Boston's best Italian restaurants, seafood restaurants, Southeast Asian fare, as well as Mexican, Brazilian, Peruvian and Columbian restaurants and bakeries.

With the site's close proximity to the airport, there is an abundance of hotels that attract many out-of-town visitors. Proximity to both Boston and the ocean has spurred the development of luxury apartments that continue to attract a wide variety of residents ranging from empty nesters to young, working professionals.
