

A photograph of a large industrial building with a brown corrugated metal exterior. A sign on the building reads "MTI Metal Technologies Northern Facility". The building has a large parking lot in front. The sky is blue with white clouds. A speed limit sign is visible on the right side of the road.

HEAVY METAL

The former Foundry is not just a property, it's an opportunity. An opportunity to situate your manufacturing operation in a prime, yet private, setting. This sprawling facility comes with office space, utility areas, a cafeteria, and ample land and parking, making it a unique and unparalleled choice for your business.

Strategically located in Hibbing, MN, the heart of Minnesota's Iron Range, the Former Foundry is a ½ way point between Duluth's shipping ports to the south, and Canada to the north. This prime location provides easy access to a large, skilled workforce and a high-quality lifestyle for your workers.
