PROSPECTIVE BUYER PROFILE

1958 Llewellyn Rd., Belleville, IL 62223

• “BUY RIGHT” BUYERS *(Easiest path to purchase)*

These prospects can use the property immediately without needing to go through the village's special use approval process:

- **Residential Buyers & Homesteaders:** Anyone looking to build a single-family home on a potentially quieter, undeveloped parcel — especially appealing for hobby farming, large gardens, or keeping animals, as agriculture is permitted.
- **Horticultural Entrepreneurs:** Operators of nurseries, greenhouses, or local farming co-ops. Since these are permitted by right, a landscaping plant supplier or local grower would find this zoning highly favorable.
- **Local Government or Non-Profits:** Entities looking to establish a public park, playground, cemetery, or library.

• “SPECIAL USE” BUYERS *(Requires village approval)*

These buyers would need to go through a public hearing and gain formal approval from the Village of Swansea before operating. You could market the property's potential to these groups:

- **Religious or Institutional Organizations:** Churches, religious retreats, or institutional facilities (like seminaries) often look for quieter, conservation-zoned land for their campuses.
- **Animal Care Professionals:** Veterinarians looking to build an animal hospital, or operators wanting to open a dog kennel or breeding facility.
- **Specialized Recreation Operators:** Entrepreneurs interested in outdoor recreation, such as regulation golf courses, miniature golf, or go-cart tracks.
- **Private Clubs or Lodges:** Organizations like the Elks, Moose Lodge, or private country clubs not primarily run as commercial retail businesses.
- **Niche Logistics / Infrastructure:** Telecom companies looking for land to build towers, or trucking/hauling services (uniquely allowed as a special use despite the ban on commercial warehouses).
