# PROPERTY DESCRIPTION

2858-2862 FRANKFORT AVENUE

The building measures 15,210 square feet on 2 full floors. Inclusive of that square footage is a 2,510 square foot mezzanine on the second floor. The building also has a small basement space consisting of approximately 580 square feet.

Built in 1926, the exterior is a brick veneer façade over a poured concrete slab. The building was divided into two separate condominiums until 2022. The property has since been reassembled, renovated and occupied by the sole owner. Double pane glass windows are abundant on the 2nd floor and are also located around the building. The main entrance faces north on Frankfort Avenue. There is a second entrance on the backside of the building that extends to the onsite surface parking area. On the 1st and 2nd floors, improvements include flexible, open office space with private offices and meeting/lounge areas spaced throughout. The ceiling heights are exceptional ranging from 9 feet to 22 feet.

The HVAC system consists of 9 units serving the building; four of which were brand new in 2022. The roof is a flat structure with membrane covering. The building is fully sprinkled with a wet system which was replaced (in 2862 Frankfort Ave) in 2023. Cosmetic renovations were completed in 2023, inclusive but not limited to new LVP and VCT flooring, wood paneled ceilings, pendant and strip LED fixtures and the addition of two (2) restrooms with three (3) fixtures each to total six (6) restrooms with twenty (20) fixtures in the building.

Although used by a single occupant, the building has had different uses and has been used by multiple occupants/tenants simultaneously.

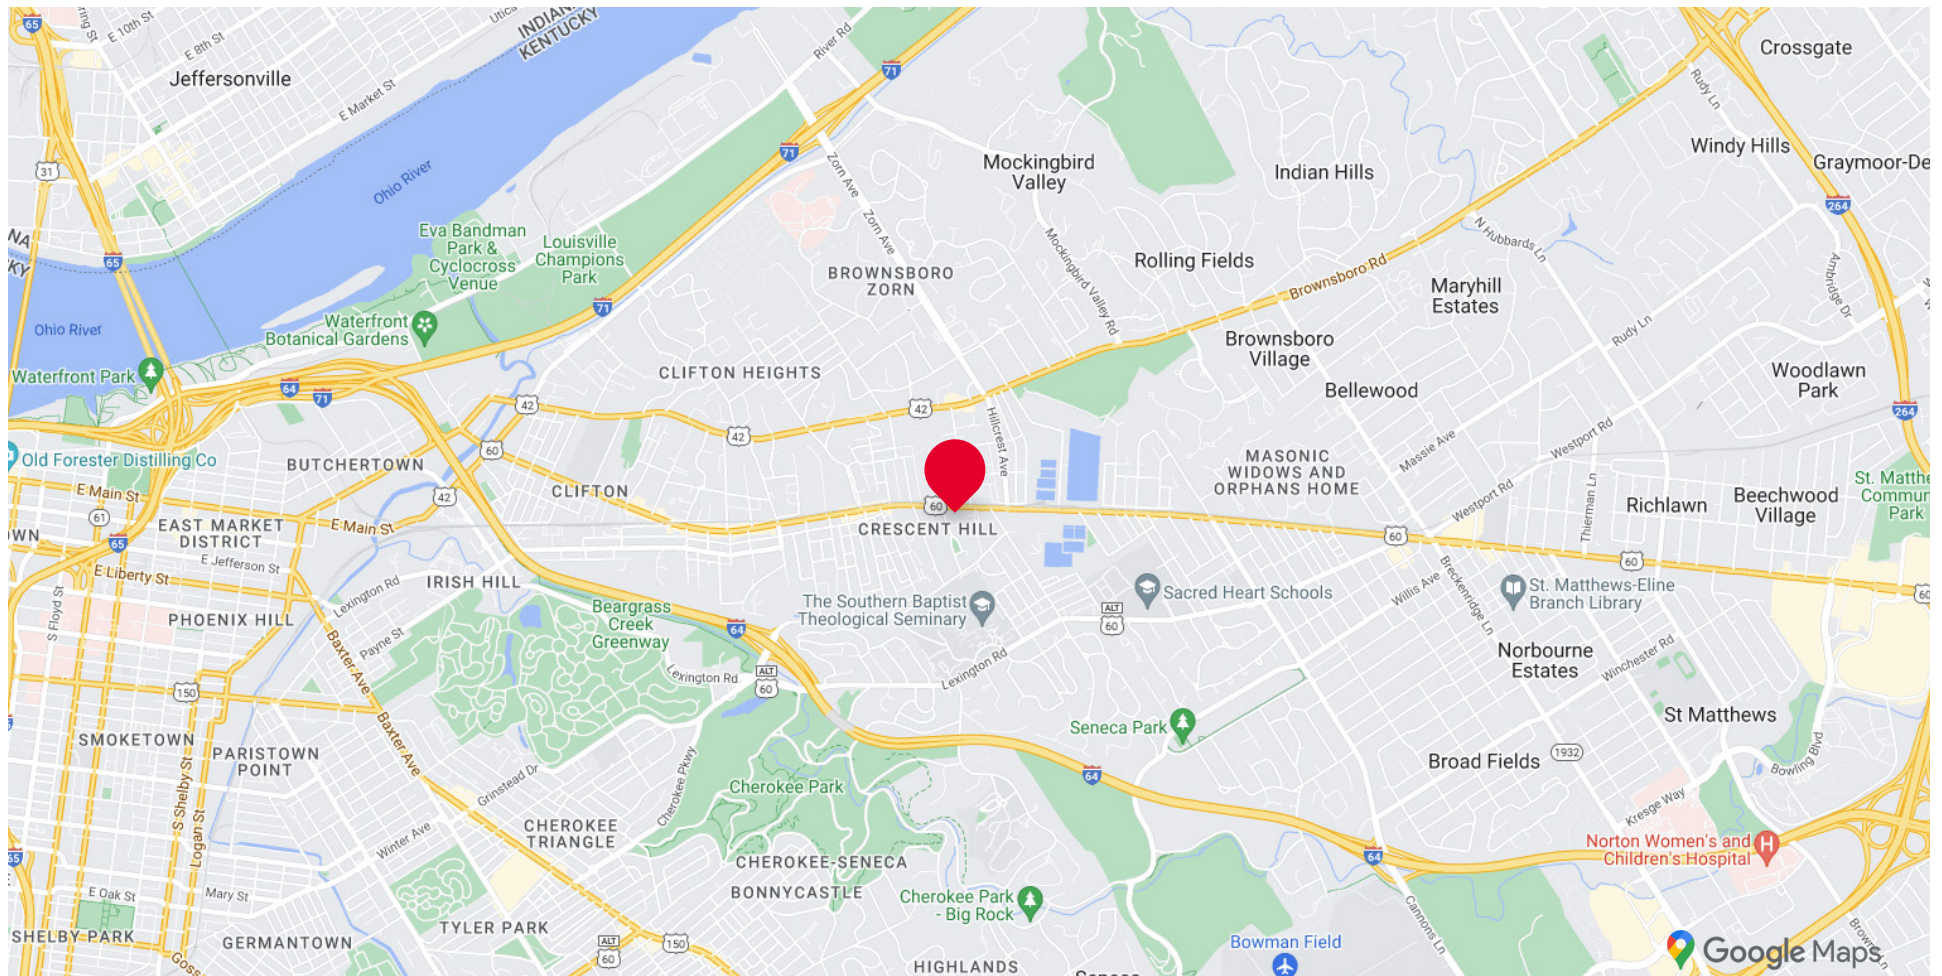

# LOCATION
