# PROPERTY OVERVIEW

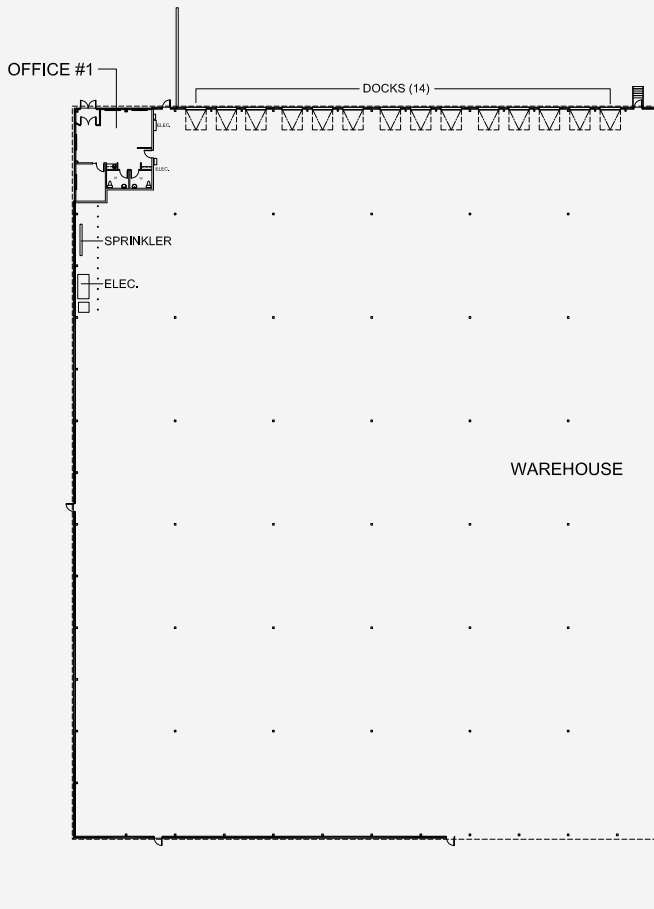

## PRIME STRATEGIC OPPORTUNITY IN BRAMPTON'S CORE INDUSTRIAL MARKET

Located at 111 Van Kirk Drive in Brampton, this property offers strategic advantages for businesses. With easy access to public transit and Highways 410 and 407, it connects seamlessly to the Greater Toronto Area. The facility features flexible office configurations, high door count for efficient shipping, and expandable parking. Situated in a fast-growing city with a large labour pool, this core market location allows businesses to rightsize from secondary markets. This adaptable property presents an attractive option for companies seeking to optimize operations and workforce accessibility in a prime location.

- Ranked #1 for mid-sized North American Cities of the Future for connectivity
- 140,000 new jobs by 2040, 60% of the population works within the city of Brampton
- Brampton has the fastest growing transit system in Canada

# TRANSIT AND AMENITY OVERVIEW

The industrial area of 111 Van Kirk Drive in Brampton is served directly by Brampton Transit route 15 Bramalea, that runs along Bramalea Road near Van Kirk Drive, connecting to Bramalea City Centre and Bramalea GO Station. Commuters seeking rapid transit can access Züm services via a short connection from the local routes. This network of transportation options ensures workers and visitors to the Van Kirk Drive area have reliable public transit access despite its industrial setting, facilitating connections throughout Brampton and the broader Greater Toronto Area via the GO Transit system.

The area around 111 Van Kirk Drive in Brampton is primarily an industrial and commercial zone. Within a short driving distance, workers and visitors can find several fast food establishments and quick-service restaurants along major arterial roads like Steeles Avenue and Torbram Road. The nearest significant retail amenities are at Bramalea City Centre mall, located approximately 3-4 kilometers away, which offers numerous shopping options, restaurants, and services. Banking services, pharmacies, and grocery stores are generally found clustered around major intersections in the surrounding areas, requiring a short drive from the Van Kirk Drive location.
