EXECUTIVE SUMMARY

1671 ALTON RD, MIAMI BEACH, FL, 33139

APEX Capital Realty is proud to present 1671 Alton Rd., a newly renovated retail / office flex property located in the most bustling area of South Beach.

The property renovations included creating an outdoor patio space at the rear of the building for potential restaurant, entertainment or retail activations.

Located on one of Miami beach's main north to south arteries, the location of the property is accommodating for easy access to surrounding retail, restaurants, hotels and entertainment venues. The property is located next to the famed 1111 Garage as well as municipal parking behind the building and several other parking garages in close proximity.

LOCATION HIGHLIGHTS

1671 Alton is strategically located with direct proximity and within walking distance of Lincoln Road, Sunset Harbor and West Avenue, the most bustling neighborhoods in Miami Beach. The recent and upcoming projects will help serve and amplify the dynamic character of this bustling district. The neighborhood surrounding 1671 Alton has undergone a resurgence with upcoming major developments, an increase of walkability through streetscape planning, the addition of new restaurants, hotels and a Trader Joe's.

The neighborhood connecting 1671 Alton to the South is also the benefactor of some major new developments such as Baptist Health's new mixed-use medical center offering, a welcoming amenity for the neighborhood, fully integrated into its community setting. The neighborhood of Lincoln Road, which sits directly next to 1671 Alton, benefits from its neighbors reach Extending from the Atlantic Ocean to the east and Biscayne Bay to the west on Miami Beach, FL, Lincoln Rd features various shops, cafés, galleries, restaurants, bars and other businesses.

It attracts millions of visitors from all over the world not just for its premier shopping destinations, restaurants, and nightlife but also for its architecture. Lincoln Rd is already considered one of the most iconic cultural and commercial pedestrian roads in the US, and was included in the National Register of Historic Places in 2011. The planned transformation of the road will take the convergence of Miami locals and international tourists to a new level through art, design, music, gastronomy, culture and fashion.

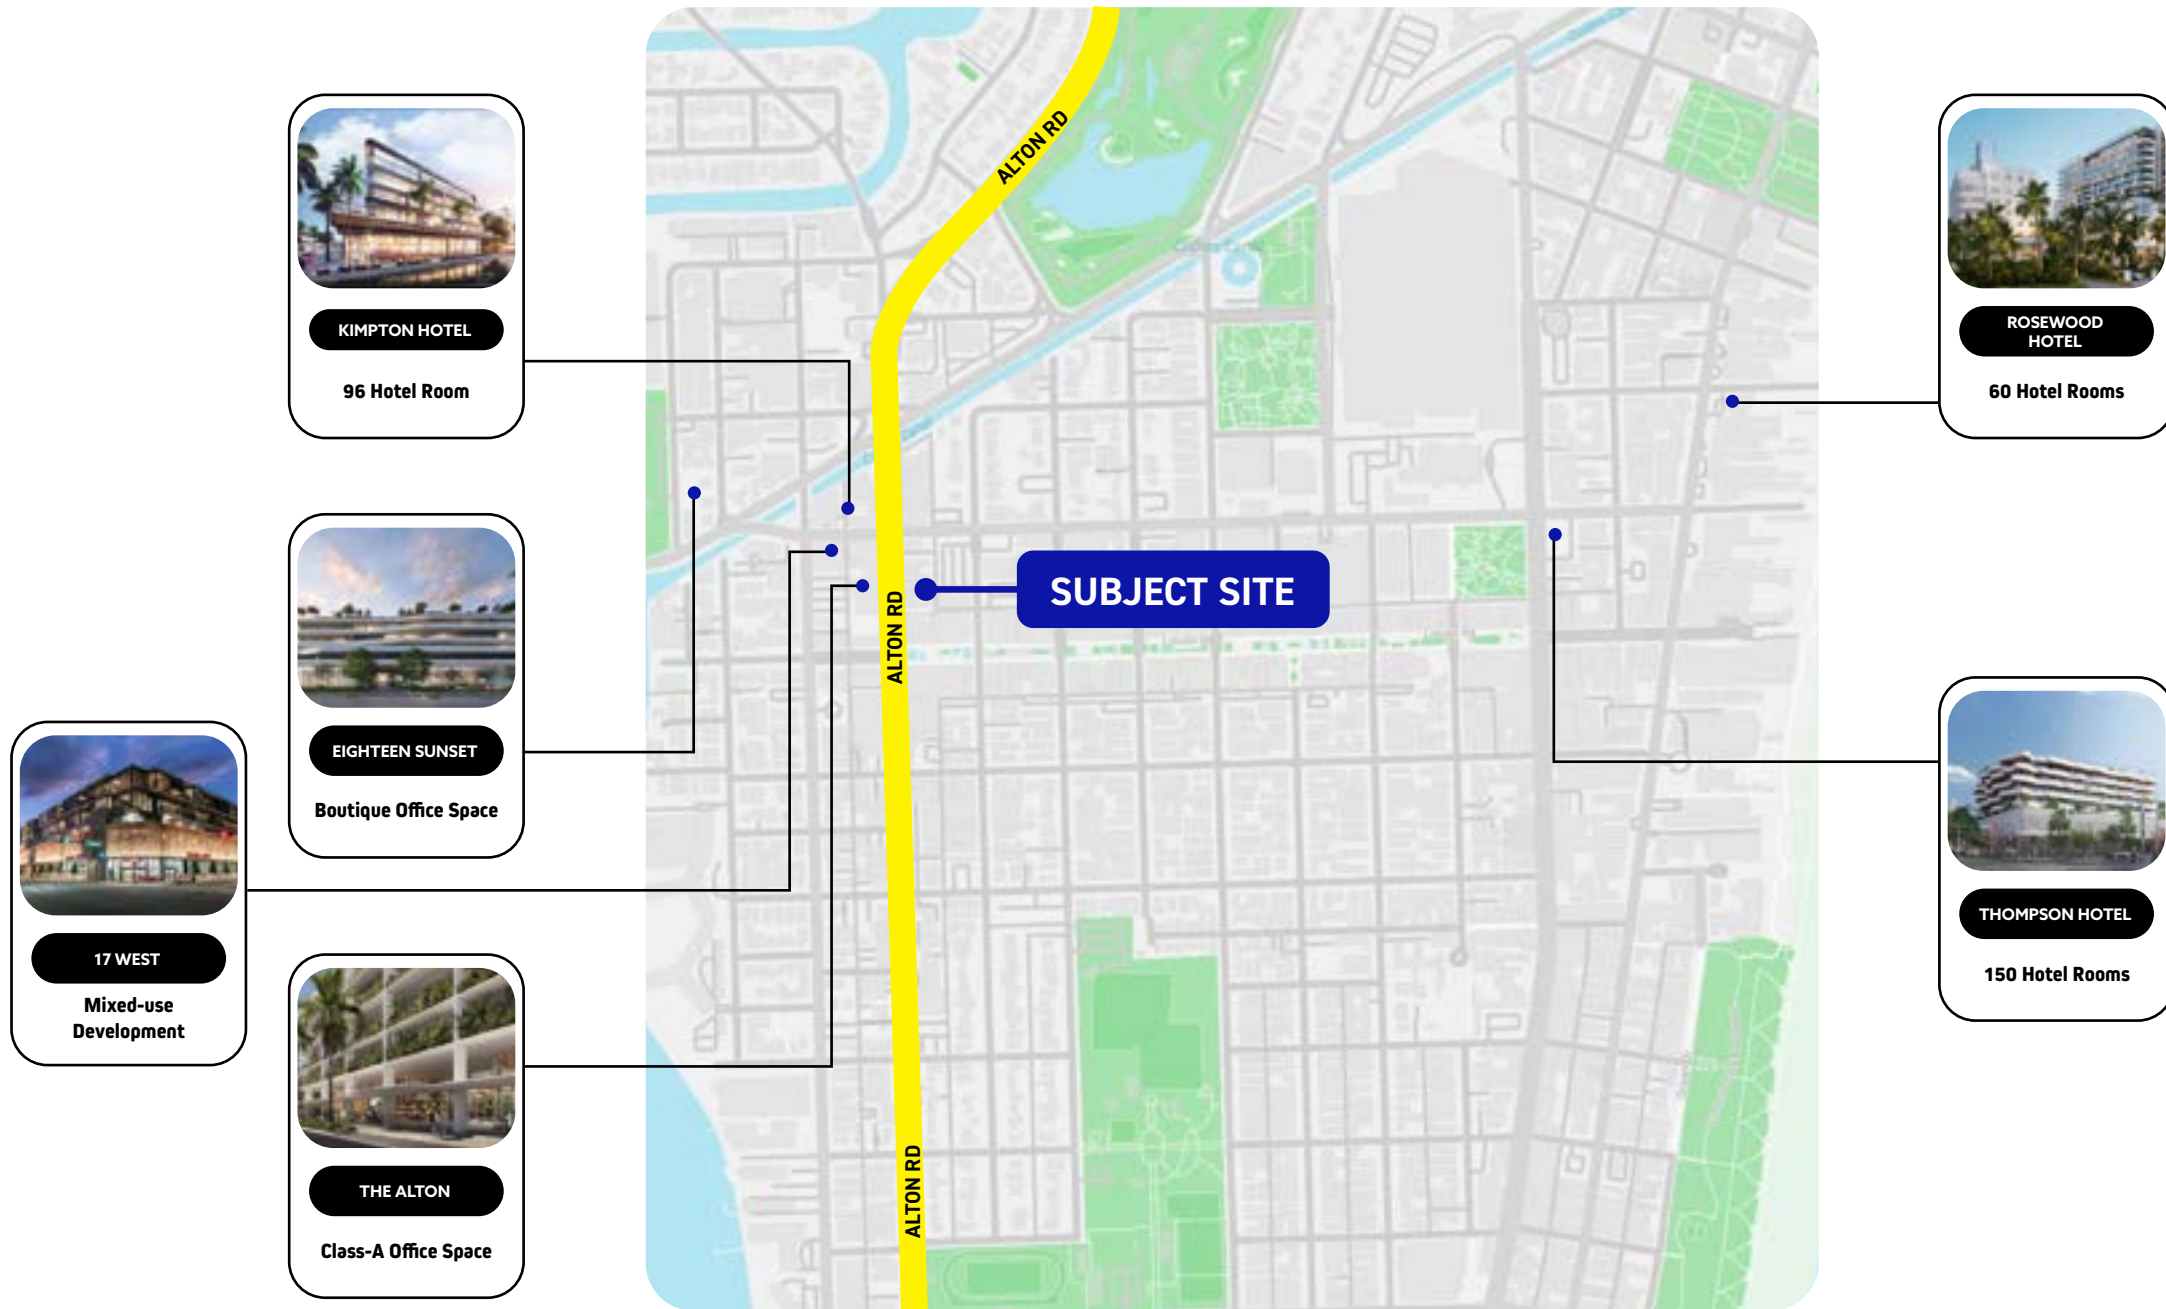

THE ALTON

Located at the nexus of Lincoln Road & directly across the street from 1671 Alton Rd, The Alton will feature 250,000 square feet with over 300 feet of prime Alton Road exposure, grand terraced outdoor rooms, and panoramic views. The development is slated for an emphatic commitment to quality, sustainability, and a conscious initiative to elevate the standard of Miami Beach office space.

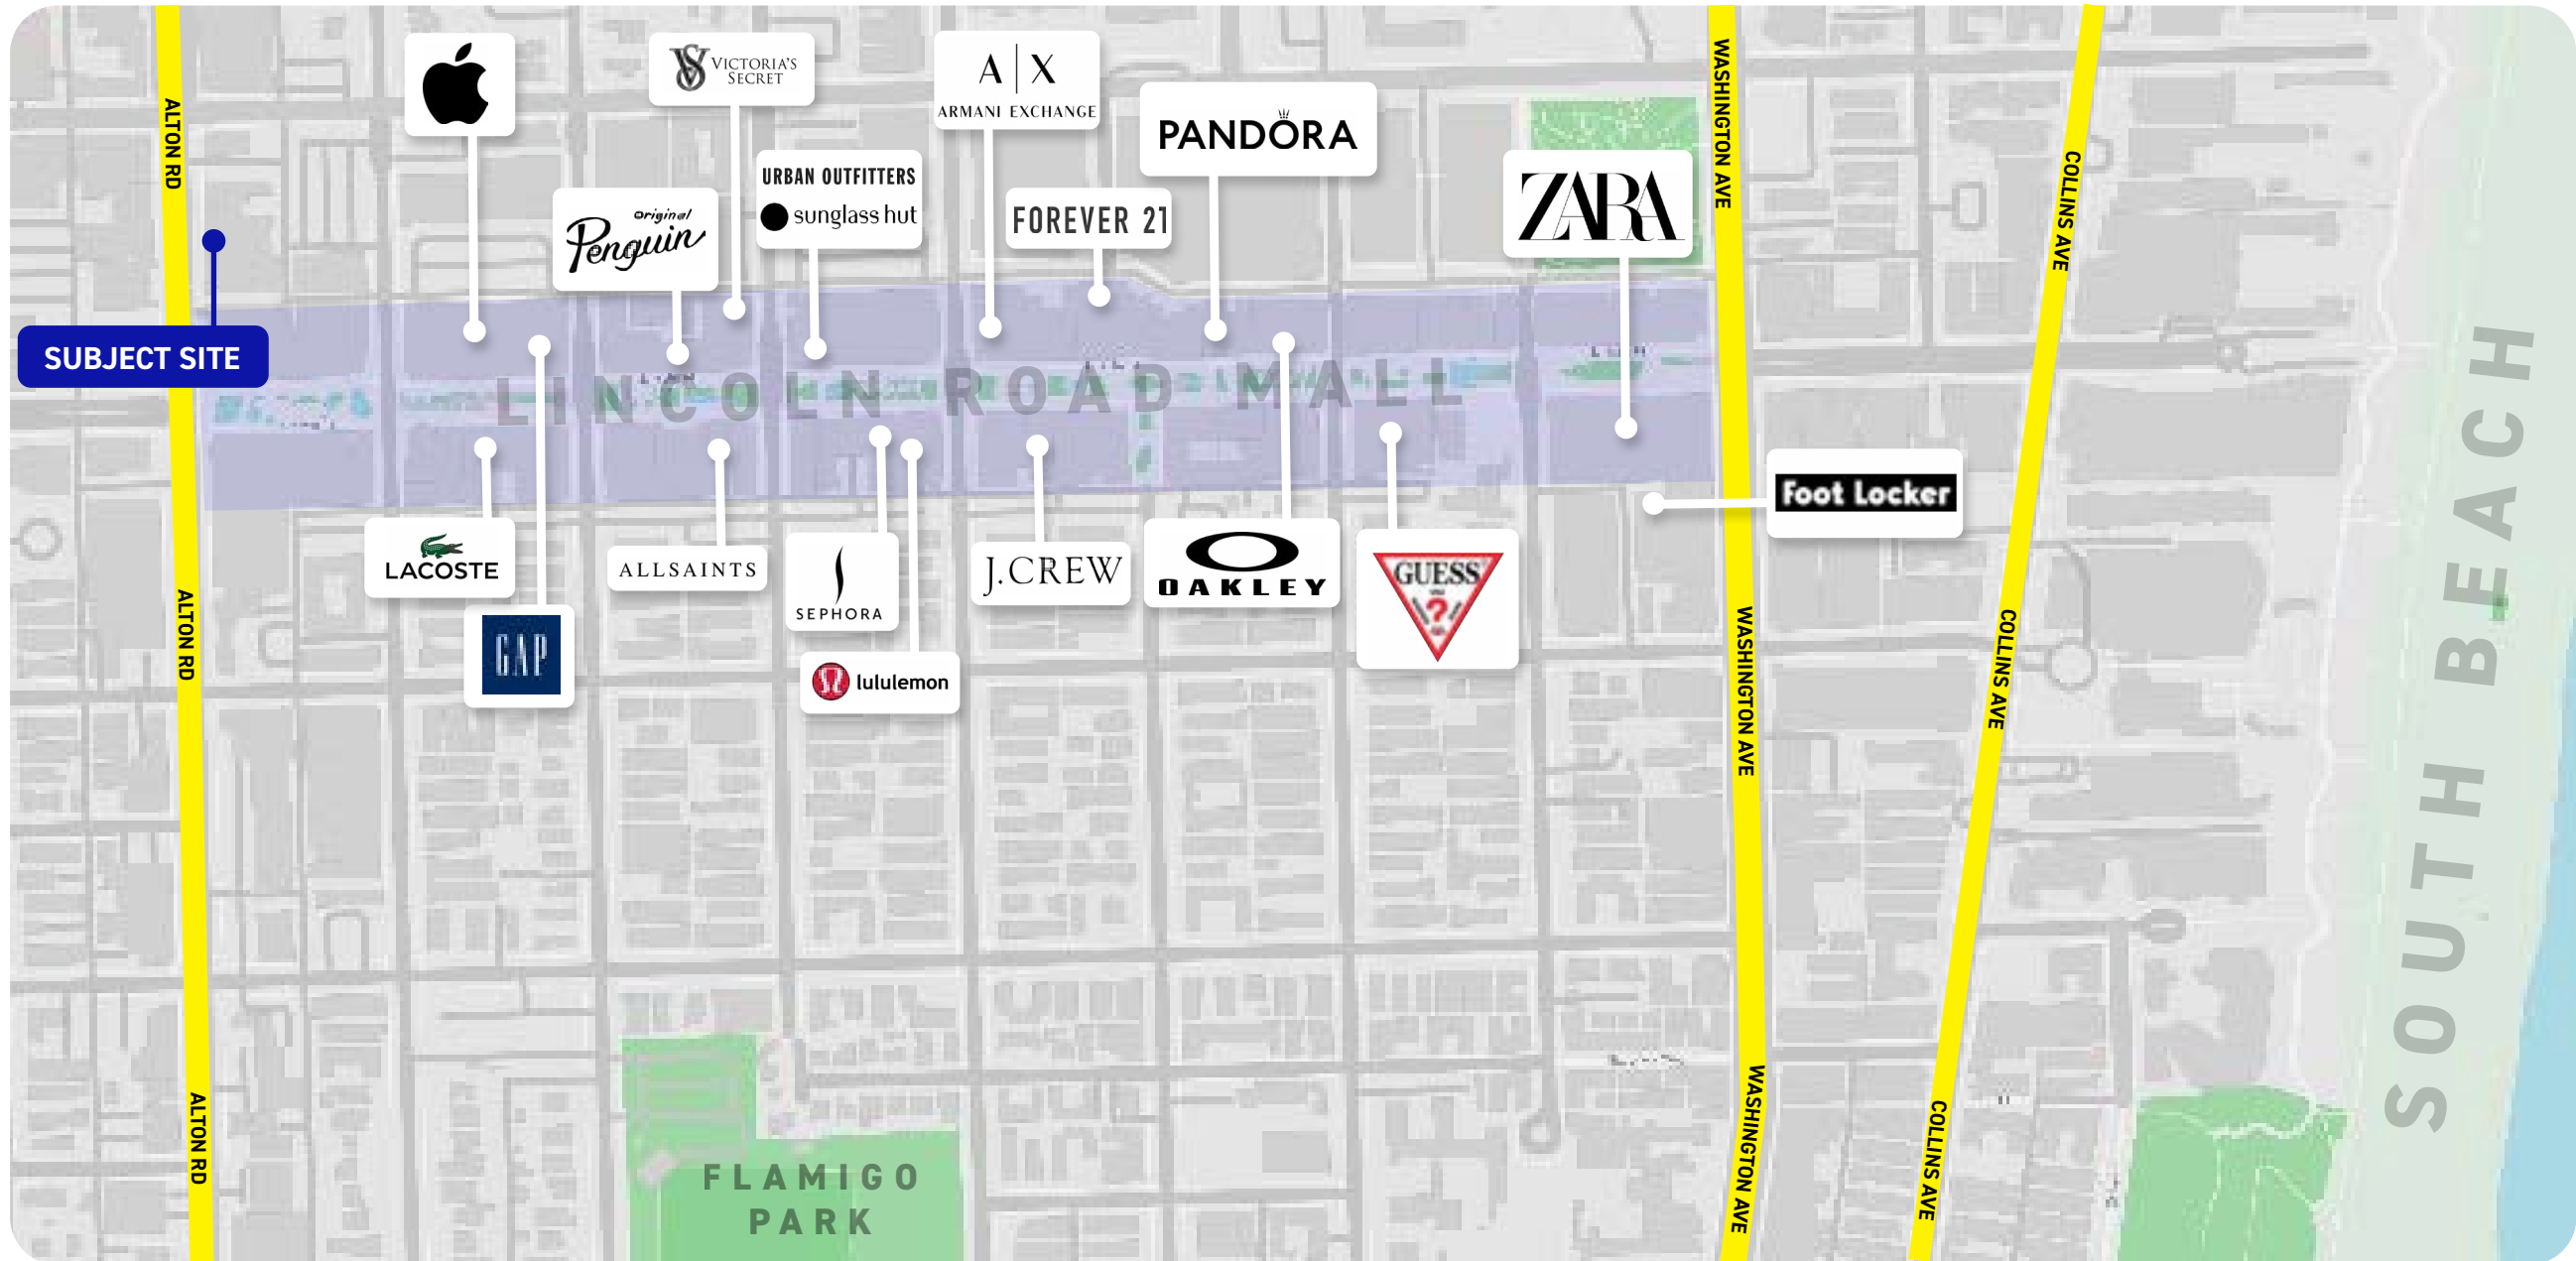

SHVO plans to develop this unique Class A commercial space with renowned design firm Foster + Partners, recognized internationally for conceiving state-of-the-art office space.
