EXECUTIVE SUMMARY

30320 Emerald Valley Parkway in Glenwillow, Ohio presents an extremely rare opportunity to own or lease a fully equipped, state of the art, distribution facility located in a premier industrial park in Northeast Ohio. Glenwillow has great access to numerous interstates being located between Cleveland (21 miles) and Akron (23 miles). The facility consists of 412,171 SF with a 27,938 SF corporate style office. The north half of the building was built in 2007 and the south addition was completed in 2017. A two story office having a first floor of 12,938 SF and a second floor of 15,000 SF was added in 2018.

NAI Pleasant Valley has been exclusively retained to offer this magnificent facility for sale or lease in a variety of options. The owner is currently occupying the facility and is planning to down-size operations. They are willing to lease back a small portion of the building in a sale, or totally vacate. In a lease situation, the offices may be leased out separately as small as 12,938 SF, and if warehouse is needed, the minimum divisible is approximately 100,000 SF with the maximum availability being the entire building of 412,171 SF. The owner will consider a lease with an option to purchase as well.

This is a fully equipped 41' clear high modern distribution facility being fully racked with standard, double and single stack racks, very narrow aisle (VNA) wire guided racks and a 4,148 location pick tower that is conveyed to 10 down lanes with an electronic monitoring system. There are 35,946 standard pallet positions and 13,938 positions in the VNA. This is a cross dock facility with 24 docks on each end totaling 48 and 3 drive-in doors. The offices are fully furnished with plenty of glass and high end finishes. There is a well equipped fitness room with lockers and showers. Everything is in excellent condition, as it has been very lightly used.
