The Center for the Entertainment Business

THE THIRTY MILE ZONE

There is a reason the Santa Clarita Valley is called Hollywood North. Innumerable TV shows, feature films and music videos are shot in this region and **The Center** is strategically situated in the center of it all and within the Thirty Mile Zone (“TMZ”) - the coveted location for studios and entertainment support. In the American entertainment industry, the TMZ is the area marked roughly around a 30-mile (50 km) radius from the intersection of West Beverly Boulevard and North La Cienega Boulevard in Los Angeles, California. **The Center** is well within this zone which allows a production company to avoid additional travel requirements and expenses.

This area not only charms, it is imbued with the entertainment spirit and shows no signs of waning. Buoyed by its pro-business environment and its diverse, creative local talent force, the Santa Clarita Valley continues to reign as one of Hollywood’s most sought after destinations. It currently boasts more than 61 working sound stages and 3,500 acres of movie ranches. A myriad of hit shows and films including *The Mentalist*, *NCIS*, *Shooter*, *CSI*, *Antartica*, *Westworld*, *Blunt Talk*, *Criminal Minds*, *Modern Family*, *Fresh Off the Boat*, *Melrose Place*, *Big Love*, *Sons of Anarchy*, *The Girl with the Dragon Tattoo*, *Ted 2*, *Furious 7*, *Whiplash* and *Pirates of the Caribbean II & III* - among others- have all called this area home.
