ABOUT THE PROPERTY

Nestled in the vibrant heart of Harvard Heights, 2071 W. Washington Blvd. offers a premier live-work destination. Originally constructed in 1921, this historic gem was meticulously reconstructed in 2023, blending classic architectural charm with modern functionality. The property features four distinct units, ranging from 800 - 850 sf., each designed with an open floor plan to foster a harmonious live-work environment. Each unit is equipped with a private bathroom, kitchenette, and a state-of-the-art HVAC system, ensuring ultimate comfort. Perfectly positioned on Washington Blvd., this property caters to a variety of creative and professional endeavors, providing tenants with the flexibility to tailor their space to their unique needs.

THE MARKET

Mid City Los Angeles, CA (Harvard Heights Submarket)

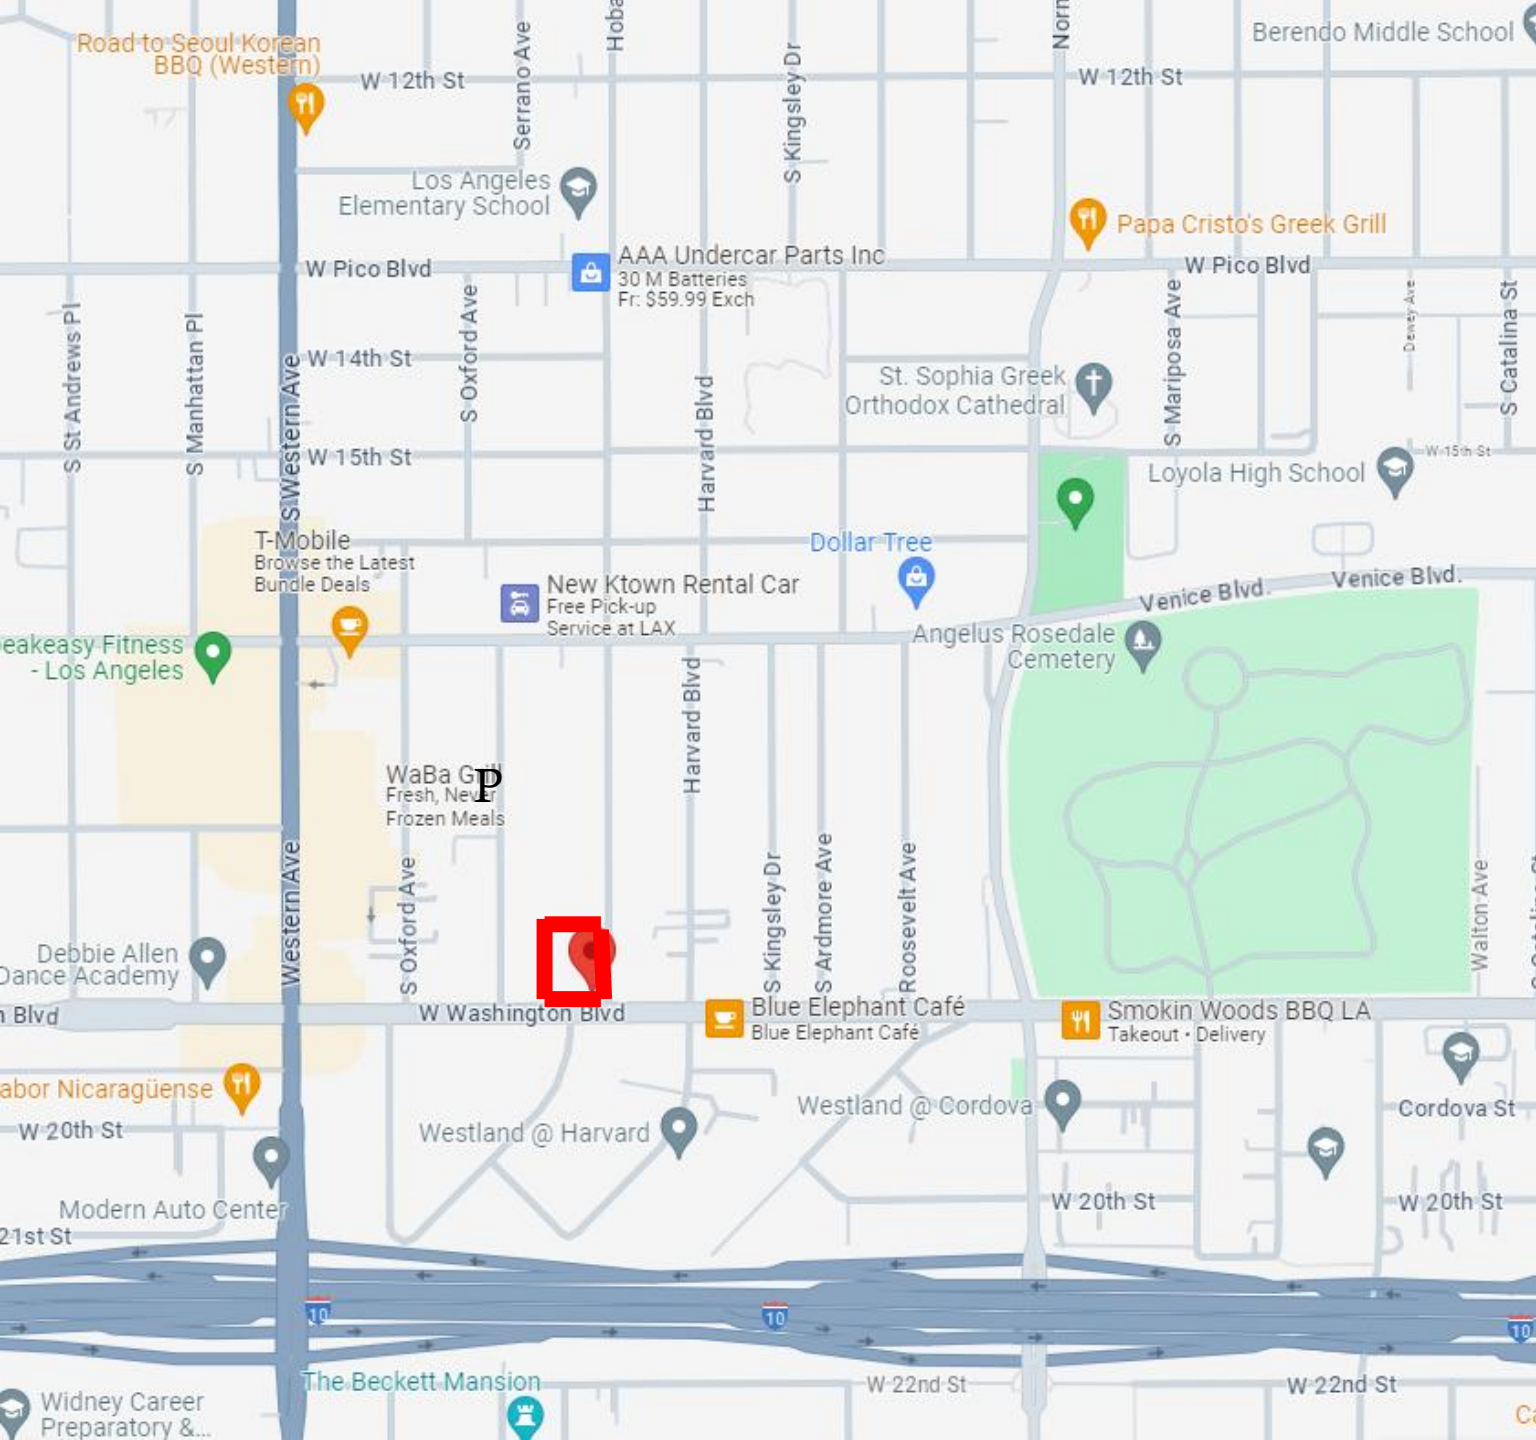

Harvard Heights, located just 4 miles from Downtown LA, is a distinguished submarket known for its well-preserved early 20th-century homes, primarily in the Craftsman style. This neighborhood offers a unique blend of historic charm and modern conveniences, attracting professionals and creative enterprises seeking a live-work environment. Harvard Heights' strategic location provides easy access to Koreatown's vibrant dining scene, prominent entertainment venues like the Wiltern Theater and Crypto.com Arena, and top-tier educational institutions, making it an attractive locale for both residential and commercial tenants.

Nearby Neighborhoods:
Koreatown, University Park, Exposition Park,
Adams – Normandie, Downtown LA
