"Job market in the nation"

Military, telecommunications, biotechnology, space, diversified manufacturing and many emerging specialties provide challenging work in delightful surroundings. The area enjoys a favorable cost of living and quality of life. Mountains, lakes, woodlands and the Tennessee River accommodate numerous recreational activities. A temperate climate enhances the season for outdoor sports, including world-class golf, hiking, biking, and fishing. Major concerts, Broadway and symphony performances, extensive permanent art collections and traveling exhibitions contribute to a wonderful way of life. Huntsville is proven to be one of the strongest markets in the Southeast, with unprecedented stability and the lowest vacancy rate in the region during economic downturns, outperforming competing markets due to its diversified economy. The unique resilience of the market is driven by dynamic demand from the Redstone

Arsenal, NASA's Marshall Space Flight Center, and from like minded tenants looking to co-locate in the Cummings Research Park. In addition, the private sector market is thriving and stands on its own as well with a burgeoning tech and auto industry influence, among others.

- Aerospace companies employ nearly 38,000 people in Huntsville, Madison County and Alabama.
- Huntsville is the location of choice for the best and brightest engineers and scientists.
- Highest concentration of engineers and tech workers in the country.
- Huntsville offers these workers a high quality of life with a low cost of living, a dynamic education system, and a proactive business community offering the infrastructure necessary for business growth.
