WORK HARD, EAT BETTER.

Recognized as a hotbed for cultural and culinary innovation, Little Italy is a place to see and be seen. Cafe seating line the streets, old and new businesses harmoniously stand side-by-side as people (and dogs) frequent the neighborhood's restaurants, breweries / wineries, coffee shops, art galleries and piazzas.

This hard-working spirit is built into the community's foundation, strengthened by top-of-class housing, high-street retail, transit, and historic landmarks - it's no wonder today's workforce has their eyes set on Little Italy.

OPERATIONAL AND DESIGN EXCELLENCE.

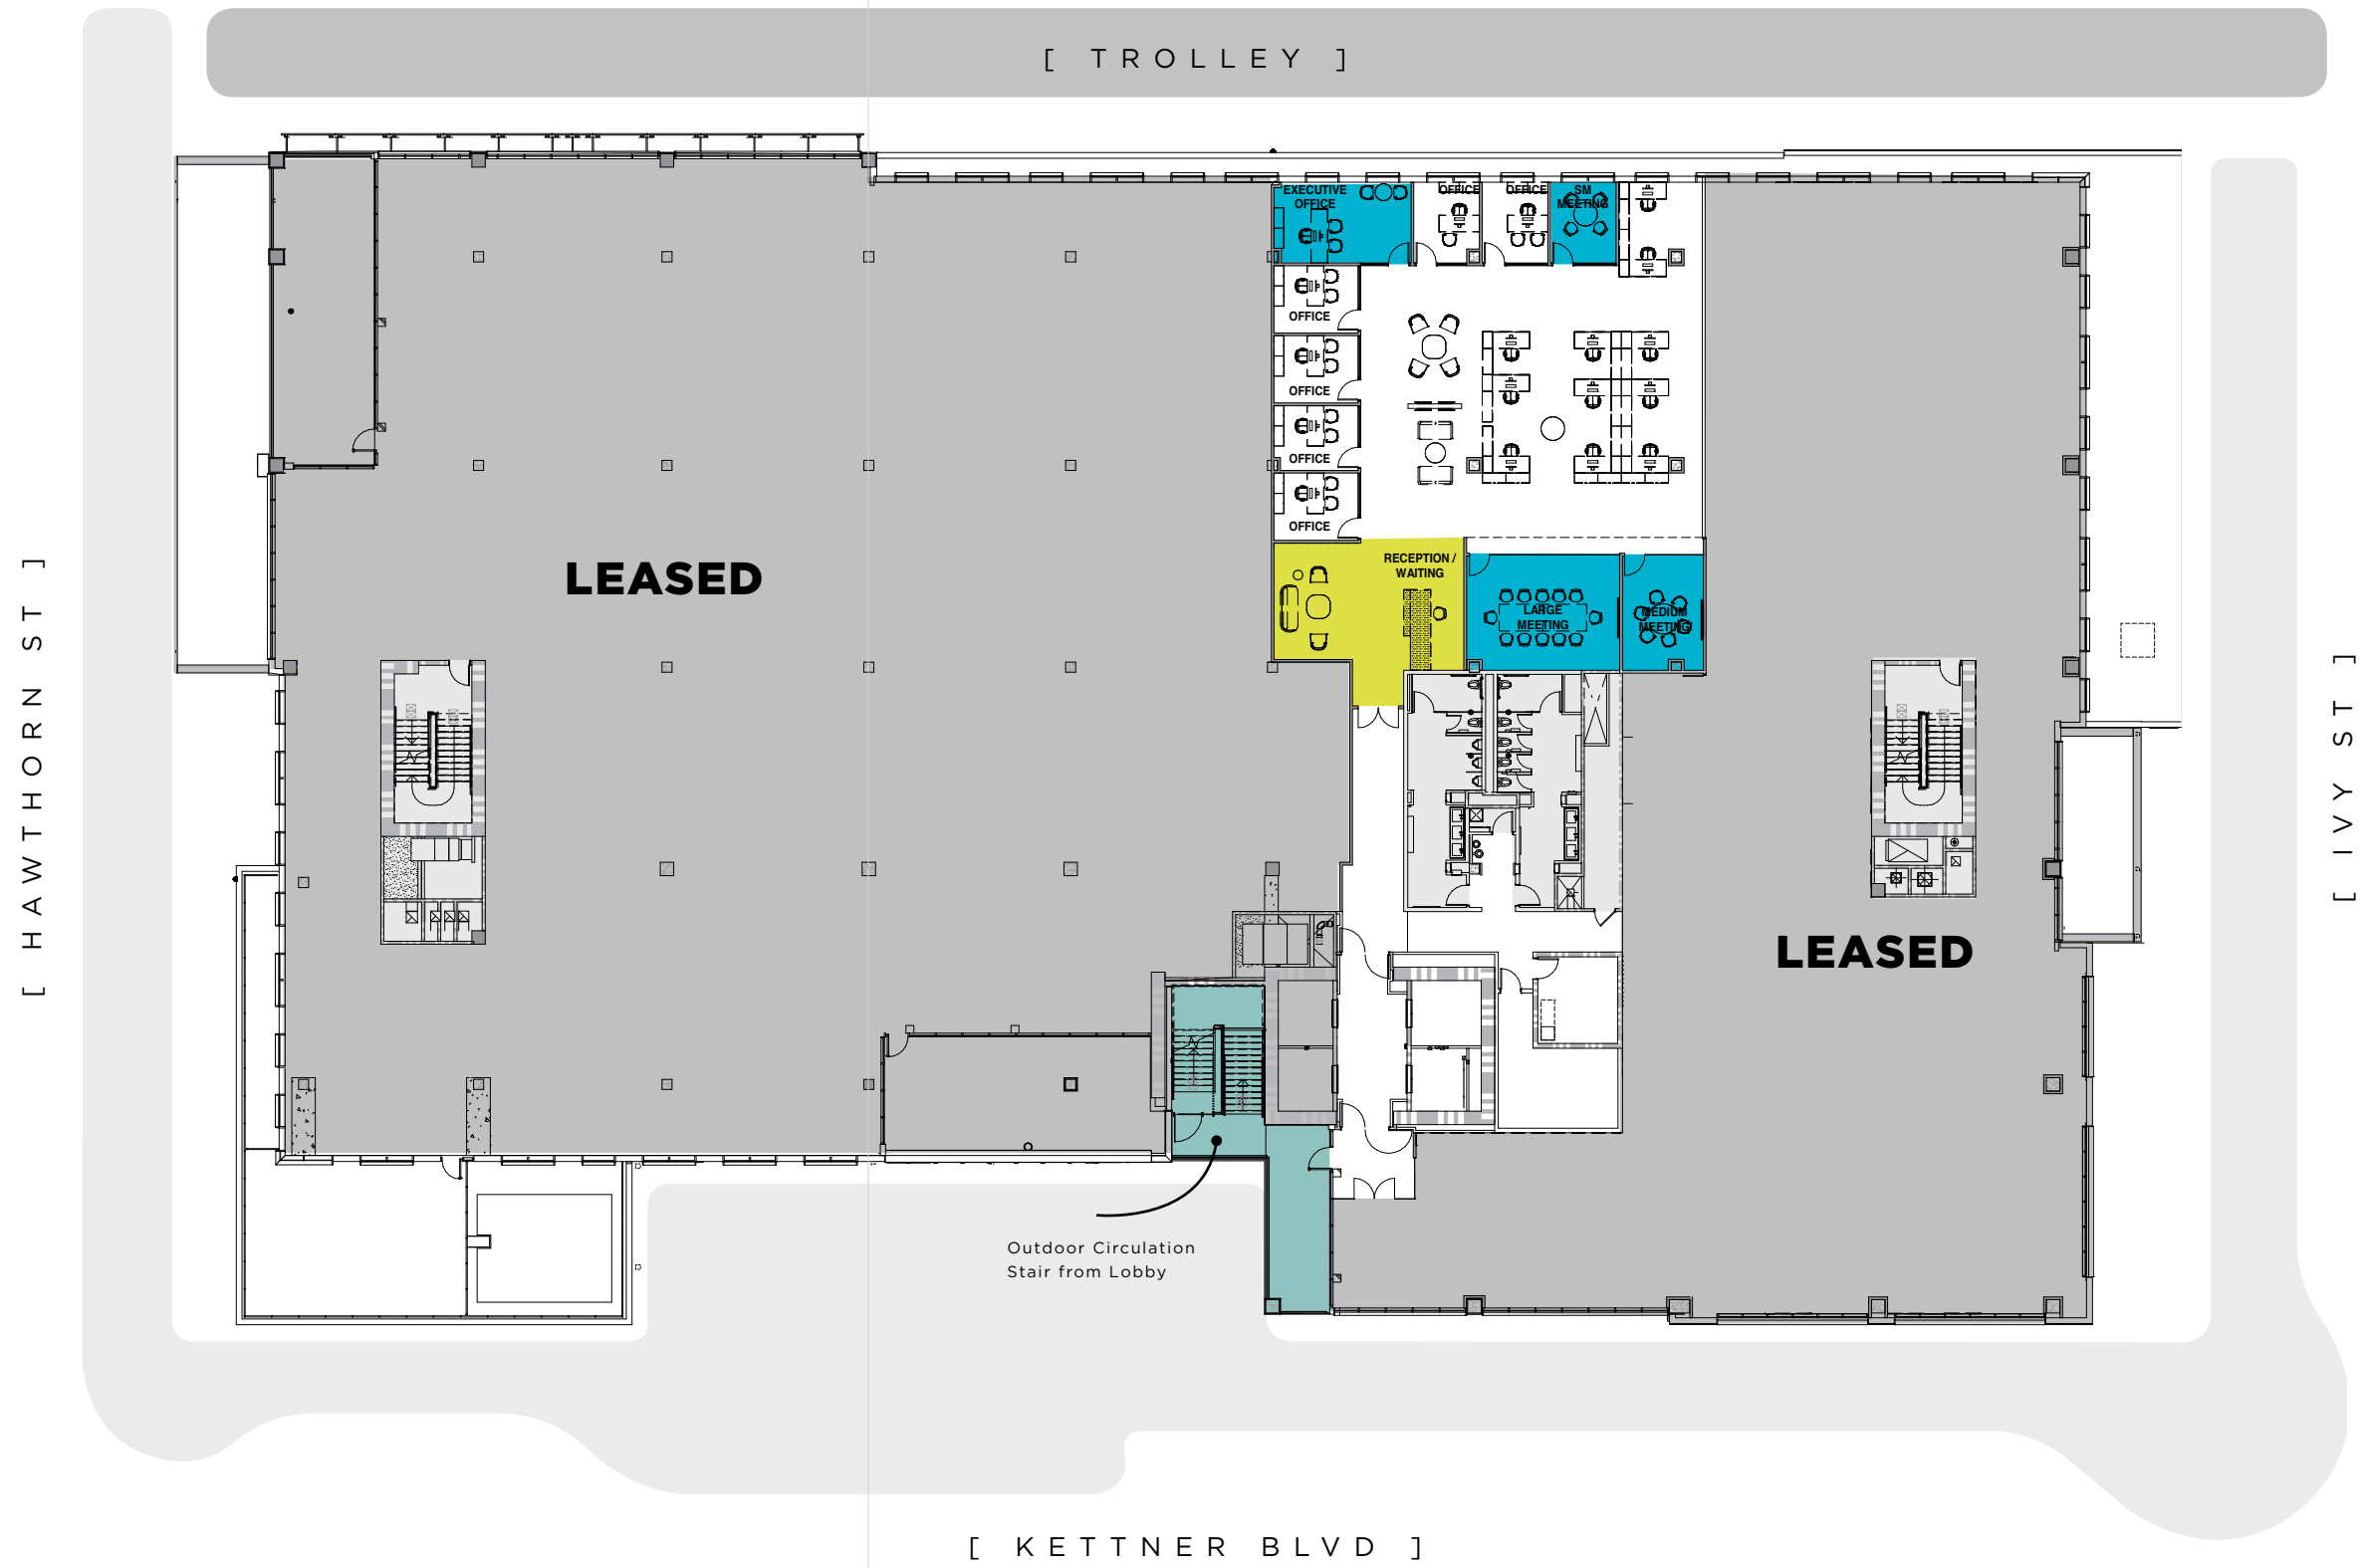

As our shared environments continue to evolve, Kilroy is actively ensuring the safety of our tenants and surrounding communities, going above and beyond to create functional and healthy spaces. Our plans include people-first solutions that support the needs of tomorrow, and our commitment to cultivating healthy and prosperous communities continues to be a catalyst for architectural innovation. At 2100 Kettner, some of these operational and design initiatives include:

- Activated open stairwell to reduce elevator congestion
- Outdoor terraces and roof deck create opportunities to collaborate while maintaining social distance
- Touchless elevator system, restroom features, and touchless door hardware in high traffic areas
- Flexible floor plates allow for distanced and collaborative layouts
- Indoor/outdoor lobby reduces opportunities for congestion
- Low iron glass used throughout the project provides higher transparency while maintaining energy efficiency
- Localized HEPA filtration in main lobby, locker rooms, restrooms, mail room, and bike lockers, plus air purification in elevator cabs
- Receiving the highest level of 3rd party pandemic preparedness review with Underwriter's Laboratory, which will verify that all recommended CDC and WHO measures have been successfully implemented, including onsite air/water/germ testing prior to occupancy
